4. It is observed that total 03 bids have been received out of which only 02 bidders were found responsive. Detailed reasons are placed as below:

4.1 During Technical Evaluation, it is observed that bidder M/s Tarade Brothers Construction Pvt. Ltd. is having less technical capacity Rs. 19.88 Cr in comparison to requirement of Rs. 40.45 Cr as per clause 2.2.2.2(i) of RFP. Also bidder is not having one similar work of 20% of estimated project cost as per clause 2.2.2.2(ii) of RFP. Hence, bid of M/s Tarade Brothers Construction Pvt. Ltd. is considered as **Non-Responsive**.

4.2 During Technical Evaluation, M/s Udit Infraworld Pvt. Ltd. is found responsive in Technical Evaluation as detailed in table above.

4.3 Further, it is intimated that bidder M/s NH Construction Pvt. Ltd., Panchkula (HR) has submitted online documents timely, but there was delay in submission of physical documents as required under Clause 2.11.2 of RFP. Since, same documents were submitted online by the bidder, Committee considered delayed submission of physical documents for better competition. Hence, bid of M/s NH Construction Pvt. Ltd., Panchkula (HR) is considered for technical evaluation and found Responsive in Technical Evaluation as detailed in table above.

It is submitted that this tender is for balance work of Barela Mandla EPC project, where no agency is available at site for maintenance of the Barela Mandla road. The road condition has become pathetic due to non maintenance. People are suffering discomfort during travel. Local Administration is pressing hard for completion of road project immediately.

In view of the facts put up above, it is utmost necessary to appoint an agency for construction of balance work. Hence, responsive bids of M/s Udit Infraworld Pvt. Ltd., Rewa & M/s NH Construction Pvt. Ltd., Panchkula (HR) may be considered for opening the financial bid.

5. After deliberations, the Evaluation Committee recommends that out of total 03 nos. of bidders, M/s Udit Infraworld Pvt. Ltd., Rewa & M/s NH Construction Pvt. Ltd., Panchkula (HR) are found technically responsive for opening of their financial bid as per provision of para 3.1.9 of RFP. Online financial opening of bids in tender portal shall be done after 07 days of uploading the list of technically responsive bidders.
