Under some inevitable circumstance the Technical Bid received from the 5(five) nos. participating bidders, the Evaluation Committee reviewed/re-evaluated and in accordance with the Minutes of Meeting dated 24.01.2024 of Evaluation Committee, the bids of the participating bidders as tabulated below stood technically non-responsive, for the reasons hereunder: -

Sl. No.	Name of Bidder	Reasons for Non-Responsiveness
1.	Ram Chandra Paul	1. The bidder has not submitted Net Worth assessed based on Financial Capacity for the FY 2022-23. In this regard <u>Bidder has not submitted self-undertaking as per Cl.2.2.2.8 (i) of the RFP,</u> but has submitted relevant Auditor's certificate as per Cl.2.2.2.8 (ii) of the RFP stating that accounts of the last financial year 2022-23 are not audited. Committee considered that non-submission of

		the self-undertaking stated above is a deficiency on the part of the bidder. 2. The bidder has submitted Net Worth value duly certified by the Statutory Auditor with UDIN, but has not submitted the methodology for Net Worth calculation for the FY 2021-22. The evaluation committee in the 1st meeting held on 20.11.2023 considered the Net Worth value for the purpose of evaluation. However, in the 2nd meeting the issue was further deliberated and it was decided to consider non submission of methodology for Net Worth calculation is deficiency on the part of the bidder.
2.	M/S Laxmi Enterprise	The Technical capacity of the bidder comes to Rs. 269.84 crore against required Threshold Technical capacity of Rs. 285.997 crore & the bidder has no experience on single similar nature of work.
3.	Bengal Trading Company	1. Bid Security amounting to Rs. 2,86,47,321.00 valid upto 12.03.2024 instead of 19.03.2024 i.e, there is shortfall of 7 days. 2. Annual Audit Report in respect of the year 2022-23 has not been submitted. In this regard, relevant Bidder's undertaking and Auditor's certificate as per Cl. 2.2.2.8 (i) & (ii) respectively of the RFP have not been submitted. 3. Further the bidder has not submitted the methodology for calculation of the Net Worth value for the FY 2021-22.
4.	M/S R.B.Construction	1. Bidder has not furnished in Annexure-VIII of Appendix-IA the 'Details of ongoing works' [Ref Clause 10.3 (iv) of Draft EPC Agreement]. 2. One complaint against M/S R.B. Construction has been received from a participating Bidder. 3. Annual Audit Report in respect of the year 2022-23 has not been submitted. In this regard, bidder's certificate and relevant Auditor's certificate as per Cl. 2.2.2.8 (ii) of the RFP has not been submitted.

Therefore, amongst the 5(five) nos. participating bidders, **only 1 (one) bid of the bidder namely Mackintosh Burn Limited stood responsive and technically qualified.**

Under the situation, due to non-availability of sufficient number of responsive and technically qualified bidder, the instant bid is hereby annulled.
