

Minutes of Meeting held on 01/08/23 for the Technical Evaluation of Work for Construction of Dadwindi realignment starting from existing Km.36.250 and terminating at existing Km.38.650 including 2-lane ROB on NH-703A on EPC mode in the State of Punjab. (Job No.NH/703A/PB/2022-23/568)

Sanctioned Cost : Rs.114.60 Cr. Amount put to tender: Rs: 67.23 Crore (Excluding GST)

Meeting of the Technical Evaluation Committee held on 01/08/23 in the office of the Chief Engineer (NH), Punjab, PWD, B&R Branch, Patiala to finalize the evaluation of the technical bid as received from the intended bidders as per the standard RFP documents of the Ministry. The following members were present:-

|    |                                                                                     |                   |
|----|-------------------------------------------------------------------------------------|-------------------|
| 1. | Er. Ravi Chawla, Chief Engineer(NH), Punjab, PWD, B&R Br, Patiala                   | Chairman          |
| 2. | Er. Satish Kumar Goyal, Superintending Engineer, National Highway Circle, Ludhiana. | Member            |
| 3. | Er. Ankit Kumar, EE, Office of S.E.-cum-R.O. MoRT&H Chandigarh                      | Member            |
| 4. | Deputy Controller, Finance & Accounts, Internal Audit, Ludhiana                     | Member            |
| 5. | Er. Vinod Kumar Kapur, Executive Engineer, National Highway Division, Jalandhar.    | Member Secretary. |

At the onset, the Chief Engineer(NH), Patiala welcomed all the participants. Executive Engineer, National Highway Division, Jalandhar apprised the committee that the technical, administrative and financial sanction to the instant project amounting to Rs.114.60 Crore was issued by Ministry vide letter no: RO-CH-W(56)-PB-2023/2877-85 dated 31/03/2023. As per the sanction letter, the work was to be executed on EPC mode. Accordingly, the bid was invited by State PWD on EPC Mode. It was apprised by Executive Engineer, NH Division Jalandhar in the meeting that the process of invitation of RFP was done online through MoRT&H portal as per the guidelines. The RFP was invited by Executive Engineer, National Highway Division, PWD, B&R Branch, Jalandhar vide Tender Notice No. 01 dated 06/04/2023 with estimated project construction cost Rs.67.23 Crores (Excluding GST) and period of completion as 24 months.

As per conditions stipulated in the approved RFP, following criteria/ documents are required to be fulfilled/submitted by the all the bidders:

|     |                                                                                                                                                                                                                                                                                                  |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.  | Bid Validity Period of 120 days from bid due date. i.e. up to 26.10.2023.                                                                                                                                                                                                                        |
| 2.  | Bid Security amounting to <b>Rs.67.23 Lakhs Valid for 180 days</b> from bid due date i.e. up to 25.12.2023 as per Clause 2.20.1                                                                                                                                                                  |
| 3.  | Cost of tender document as per Cl.2.11.1(g) ( <b>Rs.10,000/-</b> )                                                                                                                                                                                                                               |
| 4.  | Bid Capacity of <b>Rs.67.23 Crore</b> as per clause 2.2.2.1                                                                                                                                                                                                                                      |
| 5.  | Threshold Technical Capacity of <b>Rs.50.42 Cr.</b> as per clause 2.2.2.2(i) of RFP (Receipt of payments during last 5 (five) financial years for construction of eligible projects/PPP.                                                                                                         |
| 6.  | One similar work of at least 20% of estimated project cost i.e. <b>Rs.13.45 Crore</b> as per clause 2.2.2.2 (iii) (a) (a1) in which at least one project involving Major Bridge/ROB having span more than 31.700m (i.e 50% of 63.400 m) should have been completed in past 10 years is required. |
| 7.  | Financial Capacity (Net worth) of <b>Rs.3.36 Crore</b> as per clause 2.2.2.3(i)                                                                                                                                                                                                                  |
| 8.  | Average Annual turnover of <b>Rs.10.08 Crore</b> as per clause 2.2.2.3(ii)                                                                                                                                                                                                                       |
| 9.  | A bidder is required to submit local supplier certificate as per clause 1.2.10                                                                                                                                                                                                                   |
| 10. | A Bidder is required to submit certificate regarding compliance of land border with India as per clause 2.2.1(d)(v).                                                                                                                                                                             |

It was intimated to Technical Evaluation Committee that last date for receipt of bids was 30.06.2023. The following Nine (9) bidders submitted their bids through online bidding website <https://eprocure.gov.in/eprocure/app:->

| 5.     | M/s JKA Associates Pvt. Ltd. #1704, Sector-21, Panchkula, Haryana-134113.                        | Submitted                                              |
| 6.     | Associated Engineers, Amandeep Avenue, Opp. Moti Nagar Near Maqsudan Flyover, Jalandhar-144008.  | Submitted                                              |
| 7.     | M/s Ganesh Kartikey Construction Pvt. Ltd., 12-B, Nikka Singh Colony, Ram Tirath Road, Amritsar. | Submitted                                              |
| 8.     | Singla Construction Ltd., House No.196, Sector-16A, Chandigarh.                                  | Submitted                                              |
| 9.     | M/s PS InfraBuild Pvt Office No.-15 Jaat DharamShala, G.T. Road Fatehabad (Haryana).             | Submitted                                              |

It was further informed to the Technical Evaluation Committee that the amendment for inclusion of accepting E-Bank Guarantee as Bid Security in Standard documents of EPC as per Ministry's Circular no. NH-24028/14/2014-H(Vol-II) (E-134863) dated 31.05.2023 was made on the CPPP portal vide corrigendum no.05 dated 05/06/2023. The beneficiary account details mentioned in the Ministry's circular were of NHAI with bank details of Canara Bank.

Accordingly, 1 bidder M/s Punia Construction Company, 30, Sector-13, Part-2, Hisar had submitted the Bank Guarantee for Bid security mentioning the account details of NHAI as mentioned in the Ministry's Circular no. NH-24028/14/2014-H(Vol-II) (E-134863) dated 31.05.2023 rather than the beneficiary bank details of Executive Engineer, NH Division, PWD B&R Jalandhar as mentioned in Appendix II of the RFP. The bidder was asked to correct the BG as per the above vide EE NH Division letter no 1165 dated 14.07.2023. The bidder has now submitted the amended Bank Guarantee for Bid Security mentioning the beneficiary bank details of Executive Engineer, NH Division, PWD B&R Jalandhar.

Further, it was also informed to the Technical Evaluation Committee that one bidder, namely M/s Ganesh Kartikey Construction Pvt. Ltd. has not uploaded the bids on BIMS portal. However, it was brought to light that the said bidder has successfully uploaded bid on the CPPP portal and has met all other criteria as stipulated in the Request for Proposal (RFP). During the meeting, it was emphasized that the primary purpose of implementing the BIMS portal is to facilitate the technical evaluation of bids. However, it was duly acknowledged that the BIMS portal is still in its early stages and technical evaluation through this portal has not commenced yet. Furthermore, it was also noted that no additional documents or details are mandated to be uploaded on the BIMS portal apart from those uploaded on the CPPP portal. The CPPP portal, which is also a public platform, is currently the sole means through which all bids are being evaluated. Given the aforementioned considerations, the committee decided to accept and consider the bid submitted by M/s Ganesh Kartikey Construction Pvt. Ltd.

The technical evaluation of the bids for the above Nine (9) bidders was carried out by the Member Secretary and presented before the Technical Evaluation Committee as per the details given below:-

|--------|--------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.     | Mr. Punia Construction Company, 30, Sector-13, Part-2, Hisar.                                    | The bidder has submitted all the requisite documents and fulfils all the criteria stipulated in the RFP as per above table. Hence the agency is found to be <b>Responsive</b> .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| 2.     | M/s Satish Aggarwal & Co. G.T. Road, Mukerian.                                                   | The bidder has submitted all the requisite documents and fulfils all the criteria stipulated in the RFP except for one similar work in which at least one work involving ROB/Major bridge component with span of more than 31.700m should have been completed by the bidder in the past 10 years as per clause 2.2.2.2 (ii) of the RFP. The clarification regarding the same was also sought from the bidder vide EE NH Jalandhar office letter no. 413 dated 07.07.2023. The bidder submitted reply vide letter dated 10.07.2023. The reply of bidder was not found satisfactory. Thereafter, NHAI, PIU, Ludhiana was requested by Member Secretary of Committee vide his letter no 1226 dated 19.07.2023 to verify the work which the bidder was claiming under similar work category. PD Ludhiana vide his office letter no. 104/MISC/2018/NHAI/PIU-LDH/13397 dated 21.07.2023(copy attached) has stated that there is no information available in his office w.r.t. the workdone being claimed by the bidder. Hence the agency is found to be <b>Non-Responsive</b> . |
| 3.     | M/s Gurbachan Singh, Contractor, SCF-10, Model Town, Phase-2, Bathinda (Pb.)                     | The bidder has submitted all the requisite documents and fulfils all the criteria stipulated in the RFP as per above table. Hence the agency is found to be <b>Responsive</b> .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| 4.     | M/s Kisan Construction Co, H. No.4, Sector-15A, Near Kaimri Road, Hisar-125001 (Haryana)         | The bidder has submitted all the requisite documents and fulfils all the criteria stipulated in the RFP as per above table. However, the bidder had mentioned its financial bid value for the work in its technical bid format Appendix 1B (Letter comprising the Financial Bid) to which the clarification was sought from the bidder vide EE NH Jalandhar letter no. 1133 dated 11.07.2023. The reply was submitted by the bidder vide its letter no.0163/HSR dated 12.07.2023 (Copy attached). Hence the agency is found to be <b>Responsive</b> .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| 5.     | M/s JKA Associates Pvt. Ltd. #1704, Sector-21, Panchkula, Haryana-134113.                        | The bidder has submitted all the requisite documents and fulfils all the criteria stipulated in the RFP as per above table. Hence the agency is found to be <b>Responsive</b> .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
