3. The matter was deliberated by the committee and following was noted:

- (i) The bidder has submitted two certificates for the same work for claiming as eligible project and the certificate issued by the different CAs (attached at page No.20 and page No. 25 of bid).
- (ii) The certificate submitted for Eligible single Project is not as per RFP format (at S. No. 14 of Appendix IA Annex-IV), i.e. Details of Eligible projects (refer Clause 2.2.2.2, 2.2.2.5 and 2.2.2.7 of the RFP).
- (iii) As per the certificate submitted with the bid the bidder had 30% of JV share (was not a lead partner), whereas the bidders claimed that he has completed 100% work i.e. executed share of work of lead partner also. However as per RFP, work of other member (not lead member) can be executed by the member.
- (iv) The bidder has not enclosed any document to establish that the Lead member work (70%) was executed by him with permission of the concern department (North West Railway, Jaipur) or not. As the bidder might not be technically eligible to executed Lead member's share of work.
- (v) As per Cl.2.2.2.6(ii) of RFP " For a project to qualify as an eligible Project under Categories 3 and 4, the Bidder should have received payments from its client(s) for construction works executed, fully or partially, or work executed and certified by the Engineer-in-charge/Independent Engineer/Authority's Engineer during the 5 (five) financial years...." Whereas, the details of eligible project (Appendix-IA Annex-iv) has only be signed by the bidder and there is no certificate by the Engineer-in-charge/Independent Engineer/Authority's Engineer enclosed with the bid.

4. In view of the above, the State level committee found that there is no substance in the representation of the Bidder i.e. M/s Shri Mohangarh construction Company. Therefore the Committee decided not to change the decision already taken in the meeting on 01.12.2023 and not considered the representation of bidder M/s Shri Mohangarh construction Company.

The meeting ended with a vote of thanks to the Chair.
