3. The matter was deliberated by the committee and following was noted:

- (i) The bidder has submitted two certificates for the same work for claiming as eligible project and the certificate issued by the different CAs (attached at page No.20 and page No. 25 of bid).

However as per RFP, work of other member (not lead member) can be executed by the member.
- (iv) The bidder has not enclosed any document to establish that the Lead member work (70%) was executed by him with permission of the concern department (North West Railway, Jaipur) or not. As the bidder might not be technically eligible to executed Lead member's share of work.

Whereas, the details of eligible project (Appendix-IA Annex-iv) has only be signed by the bidder and there is no certificate by the Engineer-in-charge/Independent Engineer/Authority's Engineer enclosed with the bid.

4. In view of the above, the State level committee found that there is no substance in the representation of the Bidder i.e. M/s Shri Mohangarh construction Company. Therefore the Committee decided not to change the decision already taken in the meeting on 01.12.2023 and not considered the representation of bidder M/s Shri Mohangarh construction Company.
