

Minutes of meeting of Evaluation committee held on 22.08.2024 @1500 Hrs. for the work "Consultancy Services for preparation of DPR for upgradation of single lane to 2-lane and tunneling of existing alignment/ realignment from Chainage 68.600 to 75.00 of NH- 107 (Sitapur-Sonpryag-Gaurikund Section) (Total Length 17.50km including 2km of Tunnel) in the State of Uttarakhand."

Bids for the subject work were invited online by the o/o Regional officer, MoRTH, Dehradun, on 11.12.2023 as per extant norms. The consultancy work is to be executed by State PWD, Uttarakhand. The Bid due date of subject work was 01.02. 2024. Online Bid was opened by tender evaluation committee on 02.02.2024 out of 02 bidders 1 bidder is found technically responsive. The MOM of Technical evaluation is enclosed as Annexure A. The result of technical evaluation was uploaded on e-procurement portal on 05.08.2024 and the same was mailed to all bidders (Annexure B).

2. One bidder was disqualified due to overall score of the bidder was less than 75 as per Section 2 LOI clause 3.2.4 Para ii of RFP. Representation of disqualified bidder on the technical evaluation have been received. In the disqualified bid, CV of 2 key person Tunnel Design Expert and Senior Geotechnical Engineer was not evaluated due to proof of essential qualification as per TOR, Enclosure-II of RFP was not found. The representation of the bidder vide letter dated 07.08.2024 has been pursued by State PWD and O/o CE-RO. Score obtained in respect of experience of firms, Material testing, Survey equipment to be used, Qualification & experience of Key Person is tabulated as follow:

S. No	Name of bidder	Evaluation Criteria	Maximum Score	Original Score	Revised Score	Remarks
1	M/s Bernard Consultant Private Limited (Subsidiary of Bernard Gruppe) Association with M/S Aushta Consulting Engineers private Ltd.	Firm's relevant experience in last 7 years. (Maximum Marks-40)	40	38.00	38.00	i. Representation raised vide letter dated 07.08.2024.
		Material testing, Survey & investigation, equipment, and software proposed to be used (Maximum Marks-20)	20	20.00	20.00	ii. In respect of Team Leader cum Senior Tunnel Design Expert" evaluation criteria of Appendix IV Clause 2.4.13 For Para 2b(iii); In the infracon team id 2024-699-38421_5399 the experience in preparation of Team Leader cum Senior Tunnel Expert profile was perused and it was observed that experience in preparation of DPR or Feasibility report of major tunnel projects (Road/Rail/Metro) of the key person is >12 years, Therefore the score may be revised to 8 marks in place of 0 mark. Therefore, the marks for TL may be revised to 10.80 instead of 9.84.
		Qualification and relevant experience of the proposed Key personnel (Maximum Marks-40)	40	14.00	25.42	iii. CV of two key persons namely Tunnel Design Expert and Senior Geotechnical Engineer was not evaluated due to essential qualification as per TOR, Enclosure II of RFP has not been found. iv. In respect of Tunnel Design Expert (Mr. Markus Tuertscher) evaluation criteria Appendix IV Clause 2.4.14 The bidder vide its representation letter dated 07.08.2024 has submitted that "Mr. Markus Tuertscher, proposed as Tunnel Design Expert, holds a master's degree (MSc) in Civil Engineering with specialization in Geotechnics/Tunnelling, Water Engineering and Alpine Technology from University of Innsbruck, meeting the required criterion. The degree named "Dipl. Ing." in German language, "Diplom" refers to post-graduate degrees. We have attached a degree equivalency proof for your

reference along with translated copy of the degree".

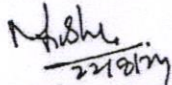

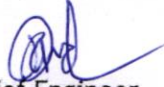

- In this regard the translated degree certificate & University website have been perused and it was found that the relevant bachelor degree required to enroll in the course is civil engineering. Therefore, score (20) against essential qualification may be considered.
- Further the document submitted for Desirable qualification i.e. post-graduation degree is Diplom-Ingenieur which is as per the submission of the bidder is equivalent to Masters in civil Engineering, further the degree certificate does not indicate any specialization. This is not as per the stipulated requirement of TOR enclosure II of RFP i.e. Post-Graduation in Design/Structural engineering or equivalent. Therefore, in respect of desirable qualification zero marks may be given.
- The cv of Tunnel Design Expert has been evaluated as per stipulated RFP criteria and 5.06 marks may be considered.

v. In respect of Senior Geotechnical Engineer (Stefan Dietrich) evaluation criteria Appendix IV Clause 2.4.16.

- The bidder vide its representation letter dated 07.08.2024 has submitted that "Mr. Stefan Dietrich, proposed as Sr. Geotechnical Engineer, holds a master's degree (MSc) in Civil Engineering with specialization in Geotechnics/Tunnelling, Water Engineering and Alpine Technology from University of Innsbruck, meeting the required criterion. The degree named "Dipl. Ing." in German language, "Diplom" refers to post-graduate degrees. We have attached a degree equivalency proof for your reference along with translated copy of the degree".
- In this regard the translated degree certificate & University website have been perused and it was found that the relevant bachelor degree required to enroll in the course is civil engineering. Therefore, score (20) against essential qualification may be considered.
- Further the document submitted for Desirable qualification i.e. post-graduation degree is Diplom-Ingenieur which is as per the submission of the bidder is equivalent to Masters in civil Engineering, further the degree certificate does not indicate any specialization. This is not as per the stipulated requirement of TOR enclosure II of RFP i.e. Post Graduation in Geotechnical Engineering /Foundation Engineering/Rock Mechanics/Geo science or equivalent.

						Therefore, in respect of desirable qualification zero marks may be given. The cv of Senior Geotechnical Engineer has been evaluated as per stipulated RFP criteria and 5.40 marks may be considered.

Minutes of meeting of Evaluation Committee held on 31.07.2024 @ 1700 Hrs. for evaluation of technical bids for the work - "Consultancy Services for preparation of DPR for upgradation of single lane to 2-lane and tunneling of existing alignment/ realignment from Chainage of 68.600 to 75.00 of NH- 107 (Sitapur Sonprayag-Gaurikund Section) in the State of Uttarakhand. (Total Length 17.50km including 2km of Tunnel) in the state of Uttarakhand on EPC mode"

The bids for the subject work were invited 2nd time online by the O/o Regional Officer, MoRTH, Dehradun, on 11.12.2023 as per extant norms. The consultancy work is to be executed by State PWD, Uttarakhand. The Bid due date of subject work was 01.02.2024.

1. 1st time bid was invited on 27.09.2023. On the first time, single bid was received which was not accepted as per Ministry circular No. NH-14019/4/2008-P&M dated 27.04.2008. (MOM dated 21.11.2023 Annexure -I)

2. The online bid was opened by Tender Evaluation Committee on 02.02.2024 @ 1500 Hrs at CE-RO, Office, Dehradun. Bids from following bidders were received in CPPP Portal & INFRACON (Annexure -II.)

Sl.No	Name of Bidder
1.	M/s Bernard Consultant Private Limited (Subsidiary of Bernard Gruppe) Association with M/S Aushta Consulting Engineers private Ltd.
2.	M/s Rites Limited in Association with Space Engineers & Consotium, Private Limited

3. Vide letter dated 10.02.2024 (Annexure III) executing agencies of MoRTH were requested to submit information regarding whether any bidder individually and/or jointly debarred/blacklisted/declared non-performer or any adverse action taken as regard to participate/bidding. In this regard no response has been received from any of the executing agencies to State PWD or in the office of CE-RO.

4. Further the bidder was requested to extend their bid validity by 120 days vide Regional office letter dated 15.05.2024 as per RFP section 2 clause 1.10. (Annexure-IV).

Sl.No	Name of Bidder	Bid Validity Status
1	M/s Bernard Consultant Private Limited (Subsidiary of Bernard Gruppe) Association with M/S Aushta Consulting Engineers private Ltd.	Extended as per RFP section 2 clause 1.10 (Annexure-IV)
2	M/s Rites Limited in Association with Space Engineers & Consotium, Private Limited	Extended as per RFP section 2 clause 1.10 (Annexure-IV)

5. Composition of evaluation committee has been modified vide this office letter dated 19.06.2024 (Annexure V). Second meeting of Evaluation Committee was held on 31.07.2024 (OM Annexure VI).

6. Clarification regarding essential qualification chronology was sought from one bidder vide letter dated 22.07.2024 (Annexure VII). RITES vide its letter dated 29.07.2024 has submitted clarification regarding the same (Annexure VIII). Accordingly, evaluation has been carried out and result thereof is detailed below:

Sl. No.	Name of bidder	Evaluation Criteria	Technical Score	Remarks
1	M/s Bernard Consultant Private Limited (Subsidiary of Bernard Gruppe)	Firm's relevant experience in last 7 years. (Maximum Marks-40)	38.00	(i) Non-Responsive as per Section 2 LOI clause 3.2.4 Para ii of RFP.

	Association with M/S Aushta Consulting Engineers private Ltd.	Material testing, Survey & investigation, equipment and software proposed to be used (Maximum Marks-20)	20.00	(ii) Key person (Tunnel Design Expert) profile was perused under unique team id 2024-699-38421_5399. It was observed that proof of essential qualification as per TOR, Enclosure-II of RFP i.e. degree in civil/mining engineering has not been found. Therefore, zero marks has been assigned to the CV as per Section 2 LOI clause 3.2.4 para ii of RFP. (iii) Key person (Senior Geotechnical Engineer) profile was perused under unique team id 2024-699-38421_5399. It was observed that proof of essential qualification as per TOR, Enclosure-II of RFP i.e. degree in civil/mining engineering/Engineering Geology has not been found. Therefore, zero marks has been assigned to the CV as per Section 2 LOI clause 3.2.4 para ii of RFP.
		Qualification and relevant experience of the proposed Key personnel (Maximum Marks-40)	14.00	
		Total (Max marks 100)	72.00	
2	M/s Rites Limited in Association with Space Engineers & Consotium, Private Limited	Firm's relevant experience in last 7 years. (Maximum Marks-40)	40.00	Responsive
		Material testing, Survey & investigation, equipment and software proposed to be used (Maximum Marks-20)	20.00	
		Qualification and relevant experience of the proposed Key personnel (Maximum Marks-40)	32.70	
		Total (Max marks 100)	92.70	

7. The detail evaluation sheet is enclosed.

Appendix V (2-C1.15))	General Qualification If does not possess the minimum (essential) educational qualification as given at enclosure-II of TOR, Zero marks shall be assigned to such CV and such CV shall not be evaluated further.	25									
	Degree in Civil Engineering/Mining Engineering / Engineering Geology		20	Submitted	0	profile was perused under unique team id 2024-699-38421_5399. It was observed that proof of essential qualification as per TOR, Enclosure-II of RFP i.e. degree in civil/mining engineering /Engineering Geology has not been found. Therefore, zero marks has been assigned to the CV as per Section 2 LOI clause 3.2.4 para ii of RFP.	20	Submitted(IEI1989)	20	Pg 844	20
