2.1 Accordingly, result of technical evaluation was uploaded on the e-tender portal vide RO, Vijayawada letter no.3168 dated 21.08.2023 as well as informed each bidder through email.

2.2 Representations have been received from two bidders namely M/s. MSV International Inc. in Association with Sterling Indo Tech Consultants Pvt. Ltd. vide letter no.38902 dated 25.08.2023, & M/s. Armenge Engineering and Management Consultants Pvt. Ltd. vide letter no.01 dated 27.08.2023 raising objections on Technical Evaluation.

2.3 The representations/ objections received from the two bidders have been examined by Committee and comments are as under:

(i) M/s. MSV International Inc. in Association with Sterling Indo Tech Consultants Pvt. Ltd:

S. No	Representations/ objections of bidder	Comments of Committee
1	Road Safety Expert – Mr. Biswajit Jena Under the category "2(iv) Experience in similar capacity in preparation of Road Safety Management Plan for Inter Urban Highways 1 Project – 3 marks More than one project – 5 marks The proposed Road Safety Expert is having experience of 10 Nos. Projects of preparation of Road Safety Management Plan for Inter Urban Highways as mentioned in Projects P-2 to P-11 on INFRACON, therefore please consider full 5 marks instead of 0 as given in technical evaluation.	It is to Inform that earlier Project Nos. 3, 4, 6, 7, 8 & 11 were not considered assuming that the National Highways cannot be treated as Inter Urban Highways. However, the same has been discussed among the Evaluation Committee and it is decided that any Road or Highway connecting urban cities can be treated as Inter Urban Highway. Hence, the Evaluation Committee decided to allot 5 marks instead of zero marks under the category "2(iv) Experience in similar capacity in preparation of Road Safety Management Plan for Inter Urban Highways". Therefore, the marks of the Key Personnel are revised to 91 marks instead of 86 marks. Hence, there is an increment of 0.25 marks.

(ii) M/s. Armenge Engineering and Management Consultants Pvt. Ltd:

S. No	Representations/ objections of bidder	Comments of Committee
1	As per S.No.2 under Relevant Experience of the Firm for the Assignment No. of key personnel with the firm more than one year with the firm. < 4 personnel - 0 marks 4 to 12 - Linearly varying from 0.25 to 2 > 12 personnel - 2 marks ARMENGE is having 36 Key Personnel with the firm	The Consulting Firms shall submit Form-26AS in order to certify their permanent key personnel. However, Form-26AS has earlier been submitted for only 12 Key Personnel. Hence, the marks have been given based on 12 Nos. Key Personnel. Hence, there is no change in the marks allotted earlier.

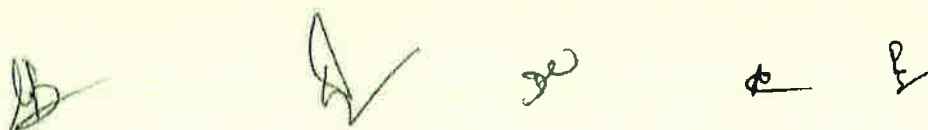

S. No	Representations/ objections of bidder	Comments of Committee
	under the above mentioned category which are attached in tp page no. 176-177.	
2	Team Leader cum Senior Highway Engineer – SANDEEP OBEROI As per self evaluation the Key Personnel is eligible for a total of 91 marks instead of 86 marks.	As per category (iii) under Adequacy of the Project the key personnel shall have Experience In similar capacity In Highway Development Projects taken up under EPC. However, the key personnel has only 3 Nos. projects (Project No. 1, 3 & 7 of INFRACON) taken up under EPC. Since, the position being Team Leader cum Senior Highway Engineer Project No. 1 & 3 where the key personnel worked as site engineer cannot be taken under similar capacity. Similarly, under project no.7 the key personnel worked as Project Coordinator which also cannot be taken under similar capacity. Hence, the evaluation committee allotted zero marks in the above mentioned category. Hence, there is no change in the marks allotted earlier.
3	Highway Maintenance cum Resident Engineer – NAYAB RASOOL As per self evaluation the Key Personnel is eligible for a total of 95 marks instead of 91 marks.	It is to inform that as per General Qualification the Key Personnel should have done his Post Graduation In Highway Engineering. But, the Key Personnel have done M.Tech in Structural Engineering for which the evaluation committee allotted Zero marks. Hence, there is no change in the marks allotted earlier.
4	Road Safety Expert – K. Venkata Ramana Murthy As per self evaluation the Key Personnel is eligible for a total of 100 marks Instead of 95 marks.	As per the self evaluation it is observed that the firm has claimed that the Key Personnel is having 9 Nos. projects (Project No. 11, 12, 13, 16, 20, 22, 26, 34 & 37) under the category Experience in Similar capacity in preparation of Road Safety Management Plan for Inter Urban Highways. But, nowhere in the experience certificates or in the roles & responsibilities it was mentioned that the Key Personnel have prepared Road Safety Management Plan for Inter Urban Highways. Therefore, the Evaluation Committee allotted zero marks in the category. Hence, there is no change in the marks allotted earlier.
