Note No. #4

1.The Chronology of the events and the facts of matter are as below:

a. The bids for the works were invited with **Tender ID: 2022_NHAI_101704_1 on dated 12.01.2022.**

b. The technical bids of the same were opened on 14.02.2022 by RO-Bhopal.

c. The technical evaluation of the same was completed at RO-Bhopal and the results of same and declarations of technically qualified bidders were communicated

by RO-Bhopal vide letter dated 26.05.2022.

d. However, at the time of approval for opening of Financial Bid , RO-Bhopal desired that the encroachment of Naidu Dhaba to cleared before opening of Financial Bid and accordingly the opening of financial bid was not done.

e. Due to Municipal Elections in the month of June-August 2022 in MP , the District administration could not spare time for dismantling of encroachment.

f. After issuing notice to the encroacher and with support of district administration , the encroachment was removed on 15.09.2022 and file was submitted to RO-Jabalpur for further necessary action of opening of financial bids and submission of other compliances as sought by RO-Bhopal was done simultaneously.

g. The opening of Financial bid was approved by RO-Jabalpur and the same was communicated to technically qualified bidders by RO-Jabalpur vide letter dated 26.09.2022 and Financial bids were opened on dated 27.09.2022 at 3 :00 PM, at RO-Jabalpur. In compliance to RO-Jabalpur letter no. 193 dated 26.09.2022.

h. The Financial bids have been downloaded from etenders.gov.in, portal and the following are the Financial bids of the respective bidders :

Estimated amount		Rs. 2,06,00,070/-	
S. No.	Bidder	Quoted amount by	% above or below the bidder
(i)	M/s Ravi Shankar Jaiswal	17512120	-14.99%
(ii)	M/s K. G. Gupta Infrastructure Pvt. Ltd.	19625687	-4.73%
(iii)	M/s Nitin Barsainya	16706657	-18.90%

i. At the time of finalization of financial bid, the bid validity of the Tender was discussed and it was found that the bid validity has lapsed. Further proceedings came to a stand still after that.

2. The matter has been deliberated and following is submitted :

(a) The date of financial bid opening was communicated to all technically qualified bidders and none of them objected to lapse of bid validity at that time.

(b) The bid validity is a tool which covers the risk of bidder from liability of acceptance of works within a period of time without forfeiture of Earnest Money of Bidder and thus expiry of same does not have any impact on Authority if the bidder is ready to accept the works.

(c) Since, the financial bids have been opened, it is submitted that the LOA must be issued to the L1 i.e. **M/s Nitin Barsainya** and if the successful bidder gives his consent for acceptance of work then further necessary action for deposition of performance security and signing of agreement must be done.

(d) Since, the financial bids have been opened not issuing LOA and inviting new tender on so-moto basis is not advisable because if the bids on re-inviting are higher than L1 of present scenario then the same might lead to Audit Query.

(e) Further, regular representation and grievances are being received from public representatives for early start of works.

3. In view of above, the following is recommended :

(a) LOA may be issued to the successful bidder **M/s Nitin Barsainya**.

(b) If the successful bidder accepts the LOA further necessary action for signing of agreement may be undertaken after deposition of performance security by successful bidder.

(c) If the successful bidder rejects the LOA , then the bids may be re-invited at a short call of 10 days.

Submitted as per above please.
