1.	We find that our Bid technically evaluated as Non-Responsive stating reason failed to satisfy criteria mentioned in clause 4.4 A (b) of Section II – ITB of RFP. In this regard, we would like to bring your kind attention that, we are meeting the required qualification criteria and submitted our work experience details in Annexure – K along with copy of Certificates and other relevant documents vide Page No 258 to Page No 270 of our submission.	As per the eligibility criteria mentioned in the clause 4.4A(b): To qualify for award of the contract, each bidder in its name should have satisfactorily completed (not less than 90% of contract value), as a prime contractor (or as a nominated approved subcontractor, provided further that all other qualification criteria are satisfied) similar works during last seven years ending

	As per clause 4.4A(b), the bidder must have satisfactorily completed SIMILAR WORKS during last seven years any of: - One similar completed work of Rs. 28.03 Crore each. - Two similar completed works of Rs. 17.52 Crore each - Three similar completed works of Rs. 14.01 Crore each. The similar work defined as <i>The similar work constitutes experience in operation and maintenance / construction of four/ six laned highway for O&M contracts, whereas for special repairs/ renewal work contracts, similar work constitutes experience of bituminous road work on 2/4/6 lane highways</i> As the Bid Invited for SURFACE RENEWAL / OVERLAY WORK, the condition i.e. "special repairs / renewal work contracts" as per SIMILAR WORK definition is applicable and according to this Experience of Bituminous Road Work is required. We have executed Road Works for Madhya Pradesh Road Development Corporation Limited (MPRDC), Bhopal as under. - Widening and Reconstruction of Madhya Pradesh District Connectivity Sector Project – Package I: Bandri-Jaruwakheda, Nirtala-Mandi-Bamora & Damoh-Hindoriya-Patera Roads. (Sole Bidder) - Widening and Reconstruction of Madhya Pradesh District Connectivity Sector Project - Package – J: Prithvipur Niwari, Ajaygarh Toriya – Bariyapur and Palera – Baldeogarh Roads. (Lead Member in Joint Venture with 70 % Participation)	last day of month previous to the one in which bids are invited, any of the following: - One similar completed work costing not less than amount equals to Rs. 28.03 Crore each. - Two similar completed works costing not less than amount equals to Rs. 17.52 Crore each - Three similar completed works costing not less than amount equals to Rs. 14.01 Crore each. where <i>The similar work constitutes experience in operation and maintenance / construction of four/ six laned highway for O&M contracts, whereas for special repairs/ renewal work contracts, similar work constitutes experience of bituminous road work on 2/4/6 lane highways.</i> The above criteria for qualification requires experience of bituminous road work on highways. However, as per the experience / work completion certificates attached by the bidder in their bid, the road stretches on which the bidder has worked are not highways. Hence, there is no change in the result and the bidder remains Technically Non-Responsive.
