5. Regarding to the subject tender, the procurement was satisfactorily advertised in e tender portal and time was given for submission of bids i.e.15 days from the date of advertisement. As the existing bridge foundation is damaged and the repair to be carried out on urgent basis. Otherwise the bridge structure may get further deteriorated and hence short term tender with 15 days of time is called for. As such 15 days of time is considered as sufficient time for advertisement in e-tender portal. The qualification criteria are fixed as per the standard RFP dated 01.09.2016 and it is not unduly restrictive. Prices were arrived with current SOR and market rate for non SOR item which is reasonable in comparison to market values.

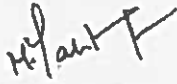

6. In view of the above, the single bid received through online is decrypted and evaluated as per qualification criteria set forth in RFP documents by the committee. The detailed technical evaluation is attached herewith as Annexure.

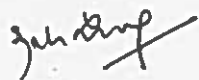

7. Based on technical evaluation of the committee, the single bidder is responsive and qualified. Therefore it is decided to open the financial bid of single bidder on condition in case the rate quoted by the single bidder is not reasonable, the tender may be recalled.

8. The Evaluation Committee also decided to open the Financial Bid of single Responsive Bidder on 18.08.2023 @ 11.00Hrs.
