(iv)	M/s. Modern Constructions
(v)	M/s. Dhyan Singh
(vi)	M/s. R.P. Projects Private Limited
(vii)	M/s. Shanvi Constructions
(viii)	M/s. SK Constructions
(ix)	M/s. T.R. Infra Project
(x)	M/s. YVR Projects Pvt. Ltd

4. No authorized representative of bidder was present to witness the opening of technical proposal.

5. The Committee examined the Technical Bids of the bidders received as per Clause 26 of Section - II, Information to Bidders (ITB) of RFP and observed the following:

(i) M/s. Garrison Constructions:

Clause 4.4 B (b) (i) of Section-II. Instructions to Bidders & Appendix to ITB stipulates that, "Each bidder must demonstrate evidence of availability (either owned or leased or rented) of the Key Equipment for this work as stated in the Appendix of ITB and as per Form in Section-III".

Note under 4.4 B (b) (i) in Appendix to ITB stipulates that, "The bidder must produce the documentary evidence in support of his owning / leased / rented of the above equipment. In case the bidder proposes to hire or take the above equipment on lease, he should, along with the lease / rent agreement, attach the proof of ownership of these equipment with the company / entity from whom the equipment are proposed to be hired on lease / rent".

In this regard, during evaluation it is observed that the bidder has not provided documentary evidence in support of his Key Equipment for Water Tanker 5000 litre capacity Tractor Trolley / Truck mounted, Static Roller & Mobile Road Repair and Patching Machine.

However, the bidder has furnished an undertaking as an evidence of availability of the key equipment as per Clause 2 of Section-III. Qualification Information & Appendix 1.7 [Ref. Clause 4.4 B (b) (i) of Section-II. Instructions to Bidders.

From the above, the Evaluation Committee opines that if the bidder turns out to be the successful bidder as per the above undertaking necessary documentary evidence in support of his Key Equipment may be obtained from the bidder before signing of the Contract Agreement.

(ii) M/s. Jogendra Choudhary:

Clause 4.4 B (b) (i) of Section-II. Instructions to Bidders & Appendix to ITB stipulates that, "Each bidder must demonstrate availability for this work of personnel with qualification & experience as stated in the Appendix to ITB".

Note under 4.4 B (b) (ii) in Appendix to ITB stipulates that, "The detailed and signed CVs of all the Key Technical Personnel, recently signed (not older than 3 months from the due date of submission of bid) by the Key Personnel himself, must be furnished along with the bid as per proforma given below. Non-compliance of the above or non-furnishing of the CV as above or conditional deployment of any of the above personnel or proposal to employ lesser number of personnel than above may make the bid non-responsive and financial bid may not be opened".

In this regard, during evaluation it is observed that the bidder has furnished relevant Key Personnel with minimum qualification & experience only for the position of Project Manager & Incident cum Road Property Manager cum Route Operation Manager and for the position of Site Engineer cum Surveyor Engineer cum Material Expert two (2) CVs were submitted i.e., one for the position of Site Engineer cum Surveyor & the other for the position of Material Expert which is not acceptable.

From the above, the Evaluation Committee opines that if the bidder turns out to be the successful bidder the bidder may be asked for submission of single CV for the position of Site Engineer cum Surveyor Engineer cum Material Expert with minimum qualification & experience as replacement before signing of the Contract Agreement.

The bottom of the page features several handwritten signatures and initials in black and blue ink. From left to right, there is a small 'E', a signature that appears to be 'K', a signature that appears to be 'JP', a large checkmark, and a signature that appears to be 'JP' in blue ink.

(iii) M/s. Dhyan Singh:

Clause 4.4 B (b) (i) of Section-II. Instructions to Bidders & Appendix to ITB stipulates that, "Each bidder must demonstrate availability for this work of personnel with qualification & experience as stated in the Appendix to ITB".

Note under 4.4 B (b) (ii) in Appendix to ITB stipulates that, "The detailed and signed CVs of all the Key Technical Personnel, recently signed (not older than 3 months from the due date of submission of bid) by the Key Personnel himself, must be furnished along with the bid as per proforma given below. Non-compliance of the above or non-furnishing of the CV as above or conditional deployment of any of the above personnel or proposal to employ lesser number of personnel than above may make the bid non-responsive and financial bid may not be opened".

In this regard, it is observed that the bidder has furnished the CV of Mr. Anil Kumar for the position of Incident cum Road Property Manager cum Route Operation Manager. However, the Key personnel should have minimum qualification & experience as Graduate from a recognized university + 5 years experience and particular experience (minimum requirement) as 3 years on highway property management and maintenance. From the CV it is observed that the Key personnel have experience only as Route Operation Manager but no experience in highway property management and maintenance.

From the above, the Evaluation Committee opines that if the bidder turns out to be the successful bidder the bidder may be asked for submission of replacement CV for the position of Incident cum Road Property Manager cum Route Operation Manager with minimum qualification & experience as specified in criteria before signing of the Contract Agreement.

(iv) M/s. RP Projects Private Limited:

Clause 16.1 & 16.2 of Section-II. Information to Bidders stipulates that,

"The Bidder shall furnish, as part of the bid, Earnest Money / Bid Security, in the amount as specified in the NIT. (Demand Draft must be in favour of Regional Officer, National Highways Authority of India, Vijayawada).

The Earnest Money shall be submitted online through, Bank Guarantee, NEFT, RTGS & Account Payee Demand Draft (the other form will not be acceptable)..... It shall be valid for 45 days beyond the validity of the bid. Any bid having bid security for lesser value and shorter validity period shall be treated as Non-responsive".

From the above it is observed that the Earnest Money / Bid Security submitted shall be valid for 45 days beyond the validity of the bid i.e., upto 03.03.2024 as the bid due date is 20.09.2023. But, the Bank Guarantee bearing No. 0202NDDG00003124 dated 19.09.2023 submitted by the bidder is valid only upto 31.01.2024.

Further, the bidder has also not furnished the CV of the Key Personnel for the position of Incident cum Road Property Manager cum Route Operation Manager.

In view of the above, as the bidder M/s. RP Projects Private Limited has submitted the bid security in the form of Bank Guarantee for a shorter validity period i.e., only upto 31.01.2024 instead of 03.03.2024 the Evaluation Committee opines to treat the bid as **NON - RESPONSIVE** as per Clause 16.2 of Section-II. Information to Bidders of RFP document.

(v) M/s. T.R. Infra Project:

As per Clause 4.2 (j) of Section-II. Information to Bidders, all the bidders shall furnish "Scanned copy of information regarding any litigation or arbitration during the last five years in which the bidder is involved, the parties concerned, the disputed amount, and the present status" in the format as stipulated in Clause 1.7 of Section-III. Qualification Information. However, during evaluation it is observed that the bidder has not furnished the information regarding any litigation or arbitration during the last five years.

Clause 25.1 of Section-II. Information to Bidders stipulates that, "To assist in the examination, evaluation and comparison of Bids, the Employer may, at his discretion, ask any Bidder for clarification of his Bid including breakdowns of unit rates. The request for clarification and the response shall be in writing or by cable, but no change in the price or substance of the Bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the Bids in accordance with Clause 27".

In view of the above, the Evaluation Committee opines to sought clarification / information from the bidder regarding any litigation or arbitration during the last five years as per Clause 25.1 of Section-II. Information to Bidders stipulated above.

(vi) M/s. YVR Projects Pvt. Ltd:

Clause 4.4 B (b) (i) of Section-II. Instructions to Bidders & Appendix to ITB stipulates that, "Each bidder must demonstrate evidence of availability (either owned or leased or rented) of the Key Equipment for this work as stated in the Appendix of ITB and as per Form in Section-III".

Note under 4.4 B (b) (i) in Appendix to ITB stipulates that, "The bidder must produce the documentary evidence in support of his owning / leased / rented of the above equipment. In case the bidder proposes to hire or take the above equipment on lease, he should, along with the lease / rent agreement, attach the proof of ownership of these equipment with the company / entity from whom the equipment are proposed to be hired on lease / rent".

The bottom of the page contains several handwritten signatures and initials. From left to right, there is a signature that appears to be 'R', followed by another signature that looks like 'K B', then a large checkmark, and finally a signature that appears to be 'J.P.' in blue ink.

In this regard, during evaluation it is observed that the bidder has not provided any documentary evidence in support of his Key Equipment (Owned / Leased).

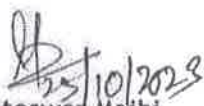

However, the bidder has furnished an undertaking as an evidence of availability of the key equipment as per Clause 2 of Section-III. Qualification Information & Appendix 1.7 [Ref. Clause 4.4 B (b) (i) of Section-II. Instructions to Bidders.

In view of the above, the Evaluation Committee opines that if the bidder turns out to be the successful bidder as per the above undertaking necessary documentary evidence in support of his Key Equipment may be obtained from the bidder before signing of the Contract Agreement.
