4.	Information required to evaluate the Bid Capacity	Annex- VI (Value of B)	The bidder has provided the statement end of "Table of Value of B" as: "To Calculate the value of B" in support of Annexure-VI, Bidder has mentioned in last paragraph "The Statement showing the value of all existing commitments, anticipated value of work to be completed, works awarded but appointed date awaited in the period of construction of the project for which bid is invited and ongoing works as well as the stipulated period of completion remaining for each of the works mentioned above is verified from the certificate issued that has been countersigned by the Client or its Engineer-in-charge not below the rank of Executive Engineer or equivalent in respect of EPC Projects or Concessionaire / Authorized Signatory of SPV in respect of BOT Projects.
