METHODOLOGY FOR BID EVALUATION:

The bids were forwarded by C&MM through scratch disk on 20th July 2023. The following methodology was adopted for evaluation of bids:

- 2.1 The bids were initially scrutinized w.r.t the qualifying criteria stipulated in the tender and submission made by the bidders against the same. Detailed evaluation was carried out against the submissions made by the bidders. Wherever requisite information was not furnished, further queries / clarifications were raised through C&MM and response obtained from bidders & evaluated. The chronology of communication had with C&MM were as mentioned below:

SN	eNote No.	Date of eNote to CMM	Clarification sought from bidders on	Bidder response received through CMM
1	eNote/NPCIL/2023/13235	01.08.2023	Qualification Criteria (from 4 bidders)	04.08.2023
				07.08.2023

- 2.3 Evaluation Criteria mentioned in the Tender were as follows:

The evaluation criteria as below shall be read in conjunction with following clauses:

Quantities and description of items are given in price bid format. Bidder can quote for price schedule – I or price schedule – II or both. Bidder must quote for all the items given in each price schedule for the entire scope contained in the tender i.e. supply, inspection, testing, packing, forwarding, transportation to site & guarantee of SS seamless pipes for CFVS for operating stations.

Bidder has to quote for all the items within a price schedule – I and price schedule – II. Items within each price schedule are non-divisible and order cannot be split for the items of price schedule – I and price schedule – II. However, separate order can be placed for complete items of price schedule – I and price schedule – II.

During part – I (Techno-commercial) evaluation, the bidders who have submitted bids will be evaluated for their capability to supply items in a given price schedule as per the tender conditions.

1. The part – II (price) bid of only part – I qualified bidders will be opened. Price bid evaluation shall be done on the basis of total price for all the items in each price schedule.

2. The price bid evaluation is done based on quote of summary price of price schedule – I and price schedule – II.

3.0 BID ANALYSIS:**3.1 M/s Meggha fitting and piping Pvt. Ltd., Mumbai:**

- i. M/s Meggha fitting and piping Pvt. Ltd., have submitted Udyam Registration Certificate (Page – C-2930 of bid file), where it is mentioned that bidder is a manufacturer of tubes, pipes and hollow profiles and tube or pipe fittings of cast – iron/ cast – steel. Bidder have also confirmed in manufacturer compliance section in Section – D of tender (Page – C-2763 of bid file) that they are not a manufacturer of SS seamless pipes but are suppliers.

Based on the above observation, bid of Meggha fitting and piping Pvt. Ltd., Mumbai is **not technically qualified** and hence, further evaluation is not required.
