In view of Part-I Evaluation Report approved by CS, 3&4 on 228/C, Proposal for placement of PO on M/s Bharat Heavy Electricals Limited with a Total Financial Implication of Rs. 2,64,33,700/- (inclusive all cost only for quoted items) against Two Part Tender floated on CPPP, is concurred in finance as per the recommendation recorded on pre pages 37/N to 42/N.

F&A has already observed at sr. no. 3 of page 41/N and 44/N that recommended rate is (+) 18% higher side to estimate with multiple items being high rated items even though the estimate is based on budgetary offer of recommended bidder only. Justification regarding this has been recorded by Indenting section on 42/N along with certification of reasonability of quoted rate which has also been endorsed by MS, 3&4.

Indenting section has also certified on 45/N that there will be no increase in quantity of high rated item beyond PO quantity. However, additional quantity for high rated item, if any received beyond PO quantity, will have to be executed at estimated rate for the increased quantity as per AA-13-(I) of HQI 2007(R-5).

Contract approving authority may please see such variation in quoted rates in line with clause AA-5 (ii) of HQI 2007-R-5 and justification recorded on 41/N before approving the proposal.

Proposal is submitted for the approval of CS, 3&4 in terms of sr no. A.3(iii) (b), Table A of Part I of HQI 2007-(R-5).
