

CORRIGENDUM NO. 1

This has reference to the e-tender invited on CPP Portal vide Tender ID: 2024_AAI_187510_1, for award of License for operating Wellness Centre/ SPA at Shaheed Singh International Airport, Chandigarh.

In this regard, it is conveyed that even after two-time auto extension of bid submission date by seven days each, single bid was received.

The single bid was opened with the approval of competent authority and scrutinized for technical eligibility/ ineligibility. During the course of scrutiny certain shortfall documents were sought from the sole bidder through CPP Portal which were required for ascertaining the eligibility status of the bidder. The sole bidder failed to furnish these shortfall documents through CPP portal by stipulated date and time.

Therefore, with the approval of the competent authority at CHIAL, the sole bidder has been declared as technically disqualified on CPP Portal.

Due to receipt of nil technically qualified bidder, the tender stands cancelled.

This corrigendum shall form part of Tender Document.
