dated 11.02.2025

Name of Service: GENERAL CAR RENTAL SERVICES FOR MOTOR CAB and MAXI CAB at Kadapa Airport
SH: Tender Revocation

Ref.

(i) 2024_AAI_211404_1

In connection to the details above and the Subject of this corrigendum, it is to intimate that , three agencies are initially accepted for further technical evaluation, however the finalization for qualifying to Financial bid stage is only after receipt of shortfall documents uploaded by bidders in response to the shortfall sought by AAI on CPP portal.

Due, to inadvertent error while processing the tender on CPP portal, the shortfalls could not be sought, hence vide this Corrigendum – Tender revocation is being done for further evaluation and finalization of bid.

Thanking you,
