Clarification Letter to Agency Vinod B Gupta.pdf;

Sir,

Your kind attention is invited to Clause 13 the price of your bid is lower than justified cost by more than 25%, hence your bid is formed as abnormally low quoted bid (ALQB). As the bid price is so low that it raises material concerns as to the capability of the bidder to perform the contract at the offered price.

Therefore in accordance with Technical Instruction 145, you are hereby requested to provide written clarifications along with detailed price analysis of your bid price in relation to scope, schedule resource mobilization, allocation of risks & responsibility.

Yours Faithfully
