

Note # 61

This is to submit that after receipt of additional clarifications of already submitted bid documents from two bidders, namely – (1) M/s Bengaluru Airport Services Limited, (2) M/s Royal Valtrans India Private Limited, complete scenario of technical bid evaluation is made as follows :

Sl .	Name of bidders	Final Observations of Technical Bid Evaluation after receipt of Additional Clarifications on bid submitted documents.
1.	Aroon Aviation Services Pvt Ltd. Bid No. 802935	All documents are found submitted as per NIT.
2.	Bengaluru Airport Services Limited. Bid No. 799175	Certified Turn Over Documents submitted by the bidder (vide TOC Page 2569 to 2574).
3.	Globe Ground India Private Limited. Bid No. 805491	NDC Documents, which was requested from Chennai Airport internally, has been received and found in order. The agency is having NIL dues as on 31.10.2024. (vide TOC Pages 2585 to 2588 from Operations Dept., Chennai Airport and TOC pages 2582 to 2583 from Commercial Dept., Chennai Airport). But there is dues amounting to Rs . 2,30,33,976/- pertaining to Trivandrum Airport (old dues). Submitted shortfall documents towards Trivandrum Airport was found not clear.

		For getting confirmation of dues position & clear dues status, the matter was checked internally from Commercial Department, Southern Region. It is found that the agency is having dues amounting to Rs. 2,30,33,976/- which is not disputed dues (Vide TOC Page 2567 to 2568). Arbitration process has not yet been started. Accordingly, the bidder is not eligible due to having prevailing dues with AAI, pertaining to Trivandrum Airport (old dues).
4.	Mahesh Sunny Enterprises Pvt. Ltd. Bid No. 805409	This company has a common directorship (Shri Satvik Gothwal) of a Debarred Company with M/s Saptagiri, which is debarred from participation of AAI Tender for a period of three years w.e.f. 08.08.2023 (as per Debarment Order of Amritsar Airport, vide TOC page 2589). Accordingly, since this bidder being an allied Company of a debarred Company & being common directorship with M/s Saptagiri, which is itself a debarred company, the bidder is not eligible.
5.	Royal Valtrans India Private Limited. Bid No. 805983	As per Power of Attorney Document submitted in Page No. 2 to 4 (Shri Satish Kumar, Director Finance is authorized). Stamp Paper was purchased in the name of the Director, not in the name of company. Further, the stamp paper date and Notary Certified Date is 8th Jan, 2025,

		but declaration of Directors towards execution of Power of Attorney is 30th Dec., 2024. After getting Additional Clarification in CPP Portal, the document is found still having conflict as the Stamp Paper was purchased in the name of one Director, not in the name of Company (vide TOC Pages 2560 to 2566). Hence, the Power of Attorney (POA) document is found not in acceptable state. The POA document being an important document as per NIT condition, due to conflicting nature of POA document, the bidder is found not eligible on this ground.
6.	Travel Food Services Pvt. Ltd. Bid No. 801487	All documents submitted as per NIT. The disputed dues as mentioned in Bid Documents (in respect of Goa Airport is as per acceptable format and found in order, vide TOC 250 to 251).

2 . After completion of Technical Bid Evaluation, following bidders are found not technically eligible as per observations made in the above table in respective bidder's column :

a) Globe Ground India Private Limited.
Bid No. 805491.

[The bidder is found to be not eligible due to having dues with AAI]

b) Mahesh Sunny Enterprises Pvt. Ltd.

Bid No. 805409.

[This bidder is an allied Company of a debarred Company & having common directorship with M/s Saptagiri, which is itself a debarred company. Hence, this bidder is found to be not eligible]

c) Royal Valtrans India Private Limited.

Bid No. 805983.

[The Power of Attorney (POA) document is not in acceptable state & is having conflict. The POA document being an important document as per NIT condition, the bidder is found to be not eligible on this ground]

Following three bidders are found to be technically eligible, which are fulfilling the technical eligibility criteria of NIT.

a) Aroon Aviation Services Pvt Ltd.

Bid No. 802935

b) Bengaluru Airport Services Limited.

Bid No. 799175

c) Travel Food Services Pvt. Ltd.

Bid No. 801487

3 . Comparative Statement on completion of Technical Bid Evaluation of all the above six bidders (who have participated in the Tender) is submitted in this file, [vide TOC page 2575 to 2581.](#) The revised & amended guidelines of Commercial Manual, vide Chapter 7.9.6 (Evaluation of Bids – Technical Bids), indicates that -

- i. *Bidders who have been declared ineligible at Technical bid stage shall be informed through fastest mode of communication with proper mention of grounds on which they have been disqualified, before opening of financial bids. Simultaneously, action to be taken for return/refund of the EMD of these technically disqualified bidders.*
- ii. *Financial bids of technically qualified bidders shall be opened and*

information in this respect shall be communicated to technically qualified bidders, at least 24 hours before opening of their Financial bids.

Accordingly, it is recommended that opening of financial bids of the following three technically eligible bidders may be considered :

a) Aroon Aviation Services Pvt Ltd.
Bid No. 802935

b) Bengaluru Airport Services Limited.
Bid No. 799175

c) Travel Food Services Pvt. Ltd.
Bid No. 801487

Submitted for kind approval for opening of financial bids of above three technically eligible bidders please.
