However, the TDS certificate required for such works, as per the NIT conditions, has not been submitted. Additionally, one of the completion certificates includes civil, electrical, air conditioning, and fire alarm work, but no breakdown is available for the civil works in that certificate. In the second work completion certificate, it is only mentioned as the construction of dairy plant, with no details provided regarding the nature of the work to determine the civil works. In the third work, no civil work is included. Therefore, the agency must submit work experience certificate clearly showing the executed amount for civil works, along with the TDS certificate(applicable for Private works) as mentioned in the NIT.
