6. BRIEF OF THE CASE :

At EFA, only BSNL tower is located near cycle stand at Admin gate which is not upgraded to the latest speed services like 4G & 5G. Since, no action was taken by BSNL to resolve the issue even after repeated efforts from EFA, it was proposed to install telecom tower near or inside the EFA premises. Competent Authority formed the committee to finalise the terms and conditions and to finalise the firm who can provide tower with all networks for installing Telecom Tower and to arrange for new LF no. The following three firms to visit EFA studying the feasibility of installing mobile tower-Qty:01 WJ.

- (2)M/s. ITI Limited, Marketing, Service & Projects Office, Chennai,

Out of three firms only one firm M/s. Indus Towers Limited, Chennai, was expressed interest in installing the mobile tower. The Competent authority, vide noting no:EFA/MS/EM/TELE/017/2023, Dt: 13/06/2023, approved the proposal for forwarding the case to AVNL, Dir/HR for leasing out EFA land for mobile telephone tower as the lease value was exceeding the delegated power to CGM. EFA vide letter no.EFA/MS/EM/TELE/017/2023, Dt: 15.06.2023 forwarded the proposal to AVNL accordingly. However, GM/CO&HR/AVNL vide letter no. However, the nominated officer, Vide letter no: EFA/JTGM/MM/MOBILE TOWER/2023, Dt: 19.09.2023 , intimated

that during discussion with GM/HR, AVNL held on 23.08.2023, it was opined to follow HVF procedure of bidding through GeM with Terms and conditions (Through GS section).

In this regard, CGM has approved the proposal for subject work through GS section –GeM with terms and condition formed by the nominated committee and also allocation of new LF no. Accordingly, EFA has raised ticket ID No: #10707310 through GeM 'for process of renting out land for mobile tower installation through custom bid. Please guide us how to place order on highest bidder H1'. In reply, according to the process bid can be awarded to L1.
