1. PRANAM HVAC ENGINEERING PVT. LTD.
2. SURAJ SALES CORPORATION
3. VOLKS ENERGIE PVT LTD

Further, the offer of the following bidder is **Technically-Commercially Not Acceptable** and the brief details are as below:

- 1) **M/s UNITY INDUSTRIAL WORK ELIGT JOB:** Startup certificate submitted by bidder does not match the required sector and since it is mandatory to submit EMD in works tender however the same has not been submitted by bidder. Further bidder has not submitted work orders qualifying technical BEC. Therefore the bidder is technically not acceptable and over all the bid is techno-commercially not acceptable.

In view of the above, the **tender committee recommends** opening the price bids of the following techno-commercially acceptable bidder:

1. PRANAM HVAC ENGINEERING PVT. LTD.
2. SURAJ SALES CORPORATION
3. VOLKS ENERGIE PVT LTD
