Further, the offers of the following bidders are **Technically-Commercially Not Acceptable** and the brief details are as below:

1. M/s AKSHAR FIRE AND SAFETY:

The submitted Work order no: 5800003063 does not fulfil the criteria of technical BEC. Further, bidder has not submitted EMD nor submitted any documents towards exemption of EMD. Therefore, the bid is found to be technically not acceptable on the ground of not meeting the technical BEC as well as bid security. Hence the bid is techno-commercially not acceptable.

2. M/s PYROGUARD ENGINEERS PRIVATE LIMITED:

The bidder has not submitted duly certified copy of work order / agreement and its completion certificate by Chartered Engineer and Notarized by Notary Public. Further, the bidder has not responded at all against techno-commercial query therefore, in absence of requisite documents the bid is found to be technically not acceptable and overall the bid is techno-commercially not acceptable.

GAIL (INDIA) LIMITED, HAZIRA

3. **M/s SVS BUILDWEL PVT LTD:**

The bidder has not submitted duly certified copy of work order / agreement and its completion certificate by Chartered Engineer. Further, the bidder has not responded at all against techno-commercial query therefore, in absence of requisite documents the bid is found to be technically not acceptable and overall the bid is techno-commercially not acceptable.

4. **M/s VASU INFOSEC PVT LTD:**

The bidder has submitted the LOA and work completion certificate however, both documents are not certified by a chartered engineer with a legible stamp. Further, the bidder has not confirmed regarding the pneumatically operated Directional Valves (24 V DC) and not submitted the recommended list of spares, including unit rates and quantities, required for two years of trouble-free operation. Therefore, the bid is found to be technically not acceptable and overall the bid is techno-commercially not acceptable.

In view of the above, the tender committee recommends opening the price bids of the following techno-commercially acceptable bidders:
