Recommendation of the Committee:

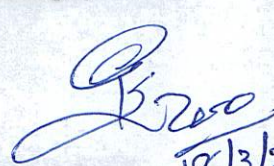

Upon evaluation of the finance bids submitted by the bidders, it is observed that both the firm have quoted service charges @ 2% for the subject tender, resulting in a tie situation.

In the context of the tie-up scenario, the TEC has scrutinized the work completion certificate documents for the last three years, i.e., FY 2020-21, FY 2021-22, and FY 2022-23, for both bidders and observed that M/s Pan India Project, Hyderabad, had the highest manpower supply of 443 individuals under a single work order, as compared to M/s Shakti Security & Maintenance Services Pvt. Ltd, Hyderabad.

Accordingly, the Technical Evaluation Committee (TEC) decided and recommend for issuing a work order to the L-1 bidder, M/s Pan India Project of Hyderabad, @ 2% (Service charge) of the estimated cost of Rs. 17,62,224.00.
