

TEC Recommendation:

During Preliminary Evaluation of Technical bids by approved TEC, it was found that only one bidder was technically qualified namely i) M/s Maretek India Pvt. Ltd. and other two bidders had submitted certain documents as per checklist of eligibility criteria in tender document. The bidders have been intimated to submit the missing documents on or before 02.11.2024. But the bidders failed to submit the short coming documents before the allotted time.

Since only one bidder was technically qualified, the TEC recommends cancel the tender and re-tender.
