

	working as Quality Control Engineer.		
	Environment, Health and Safety Engineer-1No. Minimum 03 Years as Environment, Health and Safety Engineer	Graduate in Civil or Environmental Engineering with preference in specialization and/or additional qualification in Occupational Health and Safety.	Submitted vide CP-28, 20 of offer file-3. Sh. Ayush Kumar Mishra, B Tech Civil, more than 4 years' experience. Meeting the requirement.

9. Conclusion based on the above analysis:

Sr.	Name of the Tenderer	Criteria fulfilled /not fulfilled	Decision regarding Substantially Responsiveness of Technical Tender
1	M/s MRT Signals	Does not fulfil EQC 2.4.1	Substantially Responsive Tender but not qualified
2	M/s Kiran Infra in JV with M/s Pravesh Construction (Kiran-Pravesh JV)	Fulfilled all EQC and other criteria	Substantially Responsive Tender
3	M/s Param Enterprises in JV with M/s Thakur Enterprises (Param-Thakur JV)	Fulfilled all EQC and other criteria	Substantially Responsive Tender

10. Recommendations of Tender Evaluation Committee:

Based on the above Technical Evaluation of the Tender and conclusion there-on (item-9 above), the tender committee recommends-

- To consider Technical Offer of M/s MRT Signal as Substantially responsive but non-qualified and it's Price Tender shall not be opened.

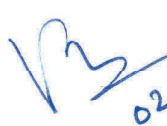

- b. To consider Technical Offer of M/s Kiran Infra in JV with M/s Pravesh construction as Substantially responsive and Qualified and it's Price Tender shall be opened.
- c. To consider Technical Offer of M/s Param Enterprises in JV with M/ Thakur Enterprises as Substantially responsive and Qualified and it's Price Tender shall be opened.

The Acceptance/Rejection/Modification of Tender Evaluation Committee's Recommendations lies with ED-Technical as per MRVC's SOP for Work's Matters (item 2.10-a) and Office order no. 24/2023 (No. MRVC/E/18/9GAZ) dtd 01-12-2023.
