5. In this regard, evaluation committee decided to refer MoRTH Circular No. RW/NH-37010/4/2010-EAP(Printing) Vol.-IV dated 05.03.2019 which RFP for EPC work has been circulated. Vide clause 3.3.2, section '3' of RFP of EPC work (Annexure 'D') regarding tie bids following has been intimated ***"In the event that two or more Bidders quote the same BID Price (the "Tie Bids"), the Authority shall identify the Selected Bidder by draw of lots, which shall be conducted, with prior notice, in the presence of the Tie Bidders who choose to attend".***

6. Therefore, it is proposed to evaluate financial bids of the tie bids via criteria notified vide RFP of EPC i.e. by draw of lots, 7 days after upload of the instant MoM. Bidders are requested to submit their objection if any on the above stated financial evaluation procedure (refer para 5 above) in writing to this office before 18.04.2024 upto 11.00 AM.

7. The meeting concluded with vote of thanks.

Sir,

This is in reference to your office letter dated 30.04.2024 vide which certain observation raised in respect of bid of the subject work.

2. In this regard, following clarification may be brought out: -

2.1 Due to absence of criteria regarding tie bid the procedure specified vide MoRTH Circular no. RW/NH-37010/4/2010/EAP(Printing) Vol-IV dated 05.03.2019 Clause-3.3.2 Sec-3 of 'Annexure-D' has been adopted. Further, no objection regarding the criteria followed was received from both the tie bidders till 29.03.2024.

2.2 The adopted criteria as per "MoRTH Circular no. RW/NH-37010/4/2010/EAP(Printing) Vol-IV dated 05.03.2019 Clause-3.3.2 Sec-3 of 'Annexure-D'" stipulates that "In the even that two or more bidders quote the same bid price (the "Tie Bids") the Authority shall identify the selected bidder by draw of lots, which shall be conducted, with prior notice, in the presence of the tie bidders who choose to attend". Therefore, in adherence to above physical presences of the both tie bidders were requested vide this office letter dated 29.04.2024 but mandatory physical presence was never been coerced.

2.3 To exercise highest standard of ethics, fair & competitive bidding, the other tie bidder was also invited to attend the meeting via video conferencing. In addition to the members of evaluation committee, an independent representative (Executive Engineer, NH-PWD) of State PWD was present during the process of draw of lots. Further, your good self was physically present during the process on 29.04.2024 & no objection was raised during the draw of lots process, but dissent has been raised subsequent to the process on 30.04.2024 which shows mala fide intention of your good self.

3. In view of above, the observations raised vide your letter dated 30.04.2024 is hereby being disposed off.

Yours faithfully,

Dear Sir,

Referring to the subject, I want to bring your kind attention on a Recent Incident of a Serious breach of process in Tender award as Lottery.

Our company Namely M/s Braincart Services Private Limited & One Another company was on a Tie situation for the Tender No- 2024_MoRTH_799253 Dated- 07.03.2024 for which we both were called to Dehradun Office physically for the Draw process.

We were available from our side as per schedule; however the Other Party was not physically available in Dehradun. It is clearly evident that "Special Privilege" was provided to the competitor company along with several other out of the process support during this draw process.

Following are the Major Lacuna & process violation found in the Lottery Process:

1. Physical presence was mandatory from Both the companies however only we were present alone. Even after our sole presence, Tender was awarded to other company.
2. Timeline for draw was scheduled 29.03.2024 till 3:00PM, however it was increased to 4:00 PM (IST) just to ease to other party, which itself wrong.
3. Even after increasing the timeline for attending the Lottery process, that company representative was not available physically.
4. Then a special provision for Online Participation & Selection was, then Introduced which was completely unethical & against the Process.
5. After complying all the formalities, Process & Physical presence by us, Tender was awarded by Lottery draw to the company which was absent from entire process & did not participated.

Taking consideration of all above findings, we have decided to bring it to your notice, & request to cancel the Tender award to the Other party & instruct to award it to us since we followed all the statutory compliance & Process.

We firmly believe that you will take necessary action to correct this blunder done by whosoever. Please let us know in case of any evidence or details required in support of this grievance.
