

Minutes of Meeting of Evaluation Committee held on 12.08.2024 for the evaluation of technical proposals for Consultancy services for Preparation of Detailed Project Report for up-gradation of selected stretches/corridors of National Highways to Two lane with paved shoulder/Four lane with paved shoulder configuration in the state of Chhattisgarh

In reference to Evaluation Committee MoM uploaded on 08.08.2024 w.r.t. technical evaluation of the subject cited consultancy services, the financial evaluation meeting was held on 12.08.2024 by the Evaluation Committee members wherein the financial bids of technically responsive bidders (The list of Responsive Bidders is attached at Annexure-A) were opened on <https://eprocure.gov.in/cppp/>.

2. As per Para-2 of Clause No.1.3 of Letter of Invitation (LOI) of RFP, a consultant (either as sole or as in JV/Association) can be awarded only up to 2 packages. A Consultant with "a Particular Team" may submit only one "proof of eligibility (Part 1)" and "Technical Proposal (Part II)" for any number of packages applied for by them. However, the award of work to a Consultant with "a Particular Team" either as sole or as in JV/Association shall be limited to one package only, as per Para-3 of Clause No.1.3 of Letter of Invitation (LOI) of RFP.

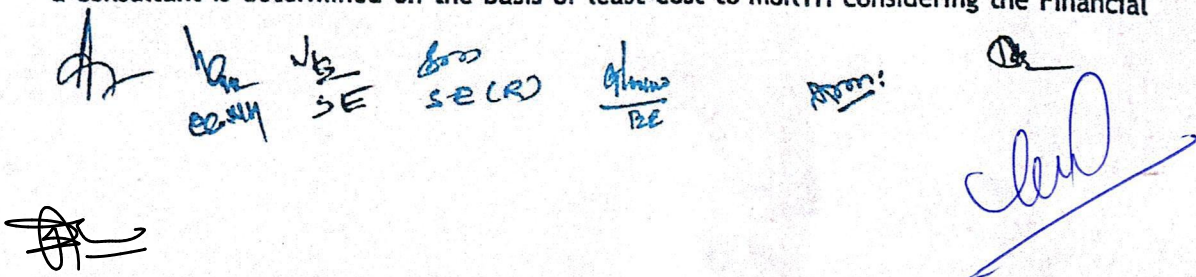

3. A bidder with a particular Team Leader has been considered as one team by the Evaluation Committee for the consideration of the award of work to a particular team as per clause 1.3 of the LOI of RFP, irrespective of other key professionals proposed in a team, considering the fact that, a Team comprising of a Team Leader should not be awarded multiple packages as per the said clause of RFP.

3.1 The financial bids of technically responsive bidders were evaluated during the meeting as per clause 5.3 of LOI of RFP and financial scores were computed as per Clause no.5.3.4 of Lol, RFP for these bidders. As per the clause, all the financial bids which are 25% or more below average bid prices of the respective package have been given financial score (SF) of 100 points. Further, the financial scores of other bidders are computed as per given procedure in the said clause. The details of Technical score, Financial score along with bid price is attached at Annex-B.

4. Further, for determining "most preferred bidder (H-1 bidder)" as per clause no. 1.3, 5.3, 5.4, 5.5 of Lol of RFP, Annex-II of RFP and Clause no.12.4 of Data Sheet, the combined evaluation of technical and financial scores were carried out considering 80% weightage to Technical score and 20% weightage to financial score. For a particular package, a consultant with a "Particular Team" having the maximum Combined score (S) is declared as the most preferred bidder (H-1).

4.1 As per the RFP, the award of work to a Consultant with "a Particular Team" either as sole or as in JV/Association shall be limited to one package only. At first, Consultants who become H-1 in one package each has been assigned the respective package. Then packages in which a Consultant with "a Particular Team" turns out to be the most preferred bidder (H-1) in more than one package is considered.

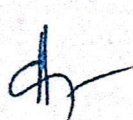

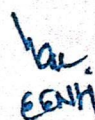

4.2 In case, a Consultant with "a Particular Team" turns out to be the most preferred bidder (H-1) in more than one package, the package which is to be awarded to this team of a consultant is determined on the basis of least cost to MoRTH considering the Financial

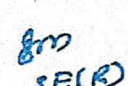

The bottom of the page contains several handwritten signatures and initials in blue ink. From left to right, there is a signature that appears to be 'A', followed by 'SE', 'SE (R)', 'SE', and a signature that looks like 'Arun'. To the right of these is a large, stylized signature that appears to be 'Arun' with a long horizontal line extending from it. There is also a small signature above the 'SE (R)' and 'SE' initials.

Quote of H-1 bidder and H-2 Bidder limited to those packages. The Procedure given at Annex-II of RFP (Page-28 of RFP) has been followed for awarding work based on QCBS including assessment of least cost to MoRTH under special circumstances i.e. When a Consultant with "a Particular Team" turns out to be the most preferred bidder (H-1) in more than one package is given at Annex-II of RFP (Page-28 of RFP). The step-wise evaluation carried out as per Annex-II of RFP document is attached at Annex-C.

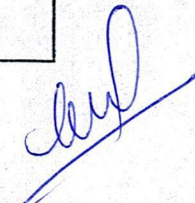

5. Based on the above evaluation carried out, the Evaluation Committee chaired by CE(NH), PWD hereby recommends the following consultants for awarding the corresponding packages as per table below:
