- III. SLT Infrastructure Pvt. Ltd, Badarpurghat, Hailakandi, Assam – 788803
- IV. M/s Tanor Engineering, P-Sector, Itanagar, Arunachal Pradesh-791111

However, the bidder, **Sri Suman Dhar, Nayagram, Ramani, Krishnapur TE, Nilam Bazar, Karimganj, Assam** has submitted the Cost of Bid only in the form of Demand Draft but has not submitted the online deposit slip for Payment of cost of Bid document of Rs.10,000/- (Rupees Ten Thousand only) through NTRP (Non-Tax Receipt portal) i.e., [www. Bharatkosh.Gov.in](http://www.Bharatkosh.Gov.in). Therefore, the bidder is not considered for further evaluation of technical bid as per clause 2.11.2 (e) of the RFP.

The bidder, **Abdul Latif, Station Road, Karimganj** has not submitted the original PoA physically. Moreover, the bidder has not submitted undertaking from the person having PoA that they agree and

The same bidder again participated in the bidding process of the work "Performance Based Maintenance Contract (PBMC) from Ch.264.100 km to Km 305.000 km and from Km 330.000km to Km 345.000 km (Total length 55.90 km) of NH-15 under contract Maintenance of NH for 2023-24 under Nagaon NH Division, Nagaon in the state of Assam. Job No. PBMC/15/AS/2023-24/250" of which NIT was invited on 12-03-2024 (First Call). In the qualification information submitted by the bidder it was again found that the bidder has submitted the same sub-contract work mentioned above along with an approval of subcontract from the Authority on 23.11.2023. As per clause no. 4.2 (ii) under Article-4 of the contract agreement approval is to be granted within 15 days from the receiving of the proposal for sub-contract. But no correspondence was made with the contractor within 15 days from the receiving of the proposal for sub-contract by the Authority until 23.11.2024. Whereas the subcontract was completed by the sub-contractor on 30.04.2023 as per the certificate submitted by the concerned Executive Engineer and payment was also received as per the certificate submitted from CA. Accordingly, legal opinion was sought from Standing Counsel of PW (B&NH) Dept and it was opined that the tendering authority may take action against the bidder as per provisions of the tender document in view of submission of contradictory documents. The Authority is at liberty to take their decision considering the documents available in their records as submitted by the bidder along with the bid document including the relevant documents which are available in their records although submitted in connection with an earlier tender process while considering their credential / qualification criteria. The Authority is not precluded from considering the documents submitted by the same bidder referring to same subcontract with substantial variations, which has a serious implication on their credibility and qualification.

In view of above BEC decided to declare the bidder as non-responsive as per para no. a, b, c & d, above. BEC also decided that for point no (e), consideration of the sub-contract work as similar work is subject to the outcome of the writ petition vide case no. WP(C)/4089/2024.

The recommended names of the technically responsive/non-Responsive bidders are stated below:

A) Technically Responsive: -

- i) SLT Infrastructure Pvt. Ltd, Badarpurghat, Hailakandi, Assam – 78880

B) Technically Non-Responsive Bidders: -
