It has come to the notice of the authority that the bidder M/s Ameva Associates, Ravulapalem has not shown four existing commitments on hand. However, as Mantralayam Bypass work period is 270 days and taking into consideration the awarded bid value of Rs.59.99 Cr, the value of work for 270 days works out as Rs.22.19Cr i.e., $(59.99 \times 270 / 730 = 22.19\text{Cr})$. The bidder M/s Ameva Associates, Ravulapalem is treated as technically non-responsive on two counts (i) For having withheld the information and (ii) for not meeting the Bid capacity based on the actual works in hand. As this is the misrepresentational concealment of fact the committee renders the bidder as non-responsive and proposed action as per RFP.
