In view of this, the BEC noted that only a single bid was received physically. In accordance to the circular RW/NH-33044/25/2024-S&R (P&B)(Computer No-240989) Dated 28-08-2024, the BEC decided to accept the single bid taking into account the conditions as stated in the circular and the urgency of the work.

The NH-44 (New NH-08) (Karimganj Churaibari section) is only the leading road to border state Tripura via Karimganj District and is playing very important role in the communication network of Karimganj District and the Tripura state in particular. The existing NH stretch of Lowairpoa Bypass is an important road portion for a vast area. The pavement of the road portion along with the side-berm has got badly damaged at many locations as a result of which the vehicular traffic as well as pedestrians are facing a great problem. Moreover 2 (two) numbers of HP culverts have also got damaged resulting blockade of drainage system. In addition to this as per present site condition, construction of RCC cover side drain cum footpath and CC open side drain in stretches is required. Therefore in the interest of public service, the damaged pavement of the road has become necessary to be repaired and improved.

Therefore, in the interest of public safety concerns and the urgent need to repair the stretch, the Bid Evaluation Committee (BEC) has decided to proceed with the evaluation of the bid from the following single bidder: -

Sl. No.	Name of the Bidders
1.	Dochania & Company Pvt Ltd, Hanuman Tower, Athaon, Guwahati, PO Bharalumukh, PS Bharalumukh, Kamrup Metro Assam

The meeting ended with a vote of thanks from the chair.
