|--|--|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
|  |  | <p>(iii) As per Clause 15 (A) &amp; (B) the Annual turnover of the firm from consultancy business, duly certified by Chartered Accountant shall be accepted whereas, the Annual turnover submitted by the bidder is not in accordance with Clause 15 (A) &amp; (B).</p> <p>(iv) As per section 1 information to consultant Clause No.15A Eligibility criteria for sole applicant firm: wherein it is mentioned that firm should have experience in construction of major bridge in perennial deep river / sea/ lake, However, no such certificate found attached with the bid.</p> |  |
|--|--|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|

4. Further, it is observed that the consultancy firm generally furnished Annual Turn Over of all the activities being carried out by the firm, however, as per Clause 15 (A) the Annual turnover of the firm from consultancy business, duly certified by Chartered Accountant shall be accepted.

In view of the above, following modification in the RFP is proposed:

| Clause Reference                                                                                          | Existing Clause                                                                                                                                                       | Proposed Clause                                                                                                                                                                                                                                                     |
|-----------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| As per section 1 information to consultant Clause 15 (A) in Eligibility criteria for sole applicant firm. | Annual turnover (updated average of last 3 years) of the firm from consultancy business should be equal to or more than 2% of Civil Cost i.e. Rs.12.27 Cr.(excl.GST). | Annual turnover (updated average of last 3 years) of the firm from consultancy business should be equal to or more than 2% of Civil Cost i.e. Rs.12.27 Cr.(excl.GST). Further, audited balance sheet of last three financial years should be enclosed with the bid. |

5. Further, as per section 1 information to consultant Clause No.15A Eligibility criteria for sole applicant firm: wherein it is mentioned that firm should have experience in construction of major bridge in perennial deep river / sea/ lake.

However, it is not generally possible for the consultancy/supervision firms to have experience in construction of major bridge in perennial deep river / sea/ lake, which require modification in RFP as below:

| Clause Reference                                                                                      | Existing Clause                                                                                  | Proposed Clause                                                                                                                                             |
|-------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| As per section 1 information to consultant Clause No.15A Eligibility criteria for sole applicant firm | Firm should have experience in construction of major bridge in perennial deep river / sea/ lake. | Firm should also have experience of Project Supervision/ Independent Engineer/ Authority' Engineer/PMC of major bridge in perennial deep river / sea/ lake. |
