5. As per clause 5.9 of LOI of RFP, The Committee found that M/s. Planning & Infrastructural Development Consultants Pvt. Ltd in association with APN Constructions and Developer Pvt. Ltd. is the Most Preferred Bidder (H-1).

6. The Committee observed that amount quoted by the H-1 Bidder is Rs. 4,13,77,502/- (excluding 18% GST) is only 1.41% of the project cost. After deliberations, the committee opined to obtain detailed justification for low quotation from the H-1 bidder namely M/s. Planning & Infrastructural Development Consultants Pvt. Ltd in association with APN Constructions and Developer Pvt. Ltd. Before finalization of the subject work. Accordingly, justification from the H-1 bidder has been sought vide letter No.RW/GHT/AS/2022-23/256 dated 04.11.2025.

7. H-1 bidder viz. M/s. Planning & Infrastructural Development Consultants Pvt. Ltd in association with APN Constructions and Developer Pvt. Ltd has submitted his justification vide letter No. PIDCPL-HO/MoRTH-AE/NH-715K/4768 dated 06.11.2025. The firm has stated that the quoted price is not only competitive but also represents a fair and realistic value for the high-quality services proposed to be rendered. As evident from the financial bid opening, the financial bid of the next ranked bidder (H-2) amounts to approximately INR 4,70,00,000/-, which is over INR 56 lakh higher than the quoted price of the firm. This difference clearly indicates that the quoted price is competitive and offers value for money to the Authority. The evaluation methodology adopted for the tender process, assigning a weightage of 75% to the technical proposal and 25% to the financial proposal, is aimed at identifying the most qualified and cost-effective bidder. In this regard, the firm has secured the highest combined score of 97.89 (H-1), thereby emerging as the most advantageous bidder. This reflects the firm's ability to integrate a superior technical proposal (score of 97.18) with an efficient financial offer, ensuring the best overall value

for the project. The quoted price has been derived from a well-structured and efficient project management approach, developed through the firm's extensive experience in executing similar EPC road projects across India. The proposed cost framework ensures effective resource utilization, stringent cost control measures, and adherence to timelines, thereby enabling delivery of high-quality services in a cost-effective manner. Accordingly, the justification furnished by M/s. Planning & Infrastructural Development Consultants Pvt. Ltd in association with APN Constructions and Developer Pvt. Ltd. may be considered acceptable.

8. Committee further noted that as per Clause 7 of LOI of RFP, an amount of Rs. 41,37,750/- @10% of contract price i.e. Rs. 4,13,77,502/- excluding 18% GST as Performance Security is to be submitted by H-1 bidder before signing of contract agreement for the subject work.
