Bidder No.2: Utkrisht Utilities Private Limited:

The Bid submitted by the Bidder is found non-responsive and fails to meet the eligibility and qualification criteria as specified below:

- **General Construction Experience:**

The Bidder has enclosed the documents w.r.t. the same project and has submitted the documents which were already submitted in the Technical Bid. Therefore, on the basis of available documents and considering the fact that the Bidder was incorporated on 17.11.2020, the Bidder is not meeting the minimum eligibility criteria of being actively engaged in the civil works construction business during the last seven years in the role of prime contractor or partner in joint venture or nominated sub- contractor (i.e. from FY 2016-17 to FY 2022-23) in the role of prime contractor or partner in joint venture or nominated sub- contractor which is required as per Clause 1.3.1 (a) of Section IX of RFP.

- **Particular Construction Experience:**

The Bidder claimed only 01 (one) project in support of Particular Construction Experience, however, the Bidder has not submitted the approval of the Principle Employer as a nominated sub-contractor. Further, the Bidder in its replies has simply mentioned that the 98.40% completed work upto 31.12.2023 was of Prime Contractor but the part that bidder (Sub-Contractor) was 90% completed as on 31.03.2023. However, no supporting documents from the Principle Employer w.r.t. the said fact is not submitted by the Bidder. Hence, the same has not been considered.

Furthermore, the Bidder along with its replies has submitted a certificate from the Authority Engineer, wherein it is certified that the Bidder has only executed the Earthwork and Granular works only. However, as per Clause 1.3.1 (b) of RFP, the Bidder as a sub-contractor, he should have acquired the experience of execution of all types of pavement layers. Hence, the said project may not be considered under Particular Construction Experience.

Therefore, in view of the above, the Bidder fails to meet the minimum eligibility criteria of having experience of atleast 01 successfully completed or substantially completed Contract within the last seven years (commencing from the year 2016-17/2016) pertaining to highways (road and/or bridge works)/ airport runway of size of at least Rs. 9.07 Crore

- **Average Annual Turnover:**

The Bidder was required to meet the minimum eligibility criteria of having Average Annual Construction Turnover of Rs. 22.67 Crore in the last 05 (five) Years which is required as per 1.3.2 of Section IX of RFP. Since, the Bidder was incorporate on 17.11.2020 and accordingly, taking into consideration the Turnover in FY 2019-20 and FY 2018-19 as 0, the Bidder fails to meet the minimum eligibility criteria specified in Clause 1.3.2 of Section IX of RFP.

Bidder No. 5: K.K. Gupta Constructions Private Limited:

The Bid submitted by the Bidder fails to meet the eligibility and qualification criteria as specified below:

- The Bidder was required to meet the minimum eligibility criteria of having Available Bid Capacity of Rs. 22.67 Crore as on Bid Due Date which is required as per 1.11 of Section IX of RFP. However even after considering the Payment certificates submitted by the Bidder and proportionately reducing the Value of B in proportion to the Time period for the current project, the assessed available Bid Capacity of the Bidder is coming out to be less than Rs. 22.67 Crore, therefore, the Bidder fails to meet the minimum eligibility criteria specified in Clause 1.11 of Section IX of RFP.
