(i)	M/s Muzafar Iqbal Sohil	Responsive
(ii)	M/s Kuldeep Singh	Non-Responsive
(iii)	M/s Bodh Raj	Non-Responsive

3. Financial bids of the technically qualified bidder shall be opened on 13.12.2024 at 1430 Hrs.

This is for kind information of bidders.

Purshotam Kumar
Project Director
PIU-Ramban, NHAI

Copy for information to:

- (i) Sh. Rajiv Kumar, PD PIU Jammu
- (ii) Sh. Giridhar Gopal Gourav, DGM (T), RO Jammu
- (iii) Sh. Shubham Yadav, Manager (T), PIU Ramban
- (iv) Sh. Madhur Daderwal, Dy Manager (F), RO Jammu

Sub: Expression of Interest (EOI)/ BID for Operation and Maintenance of Highway Nest Mini Facilities/ amenities at Karol Km 143+200 (NB) on NH-44 in the UT of Jammu and Kashmir (2nd call) - Minutes of Meeting of Final Technical Evaluation.

Date of Bid Opening: 19.11.2024

Time: 1430 Hrs

Venue: Regional Office, Jammu

This is in continuation to the Minutes of Technical Evaluation dated 26.11.2024 wherein one out of total three no of bidders, was found technically qualified/ responsive (copy attached). Based upon the technical evaluation, Committee opined that the result of technical evaluation may be uploaded online and bidders may be given 07 days' time to submit the representation, if any as per MoRTH circular No. RW-NH-34051/1/2015-S&R (B) dated 07.09.2015.

2. Accordingly, the result of Technical Evaluation was uploaded on e-tender portal on 27.11.2024 and bidders were given 07 days' time to submit representation, if any.

3. No representation was received till 04.12.2024 (07 days' time). Accordingly, single bidder has been found technically qualified. It was decided by the Committee members to further evaluate the single bid as per the instructions given in Ministry Circular no. RW/NH-33044/25/2024-S&R (P&B) (Computer no. 240989) dated 28.08.2024 regarding acceptance of single bid for National Highways works and "General Instructions on Procurement and Project Management" issued by Department of Expenditure Ministry of Finance Govt. of India Dt. 29.10.2021 which has been circulated by NHAI vide policy circular No. 18.78/2022 dated 18.02.2022 regarding guidelines for acceptance & award of single tenders which states as:

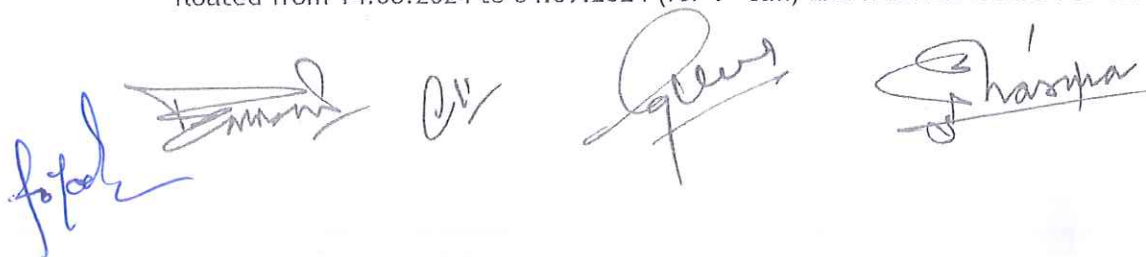

"It has become a practice among some procuring entities to routinely assume that open tenders which result in single bids are not acceptable and to go for re-tender as a 'safe' course of action. This is not correct. Re-bidding has costs: firstly, the actual costs of re-tendering; secondly the delay in execution of the work with consequent delay in the attainment of the purpose for which the procurement is being done; and thirdly the possibility that the re-bid may result in a higher bid. Lack of competition shall not be determined solely on the basis of the number of Bidders. Even when only one Bid is submitted, the process should be considered valid provided following conditions are satisfied:

- (i) the procurement was satisfactorily advertised and sufficient time was given for submission of bids;*
- (ii) the qualification criteria were not unduly restrictive; and*
- (iii) prices are reasonable in comparison to market values"*

4. W.r.t para 3 above, the justification for accepting single responsive bidder for further opening of financial bid, is as under:

Criteria-1: the procurement was satisfactorily advertised and sufficient time was given for submission of bids;

(a) The tender was published on the e-procurement portal of Govt of India i.e. www.etender.gov.in, as all the tenders are uploaded on the same platform hence the condition of satisfactorily advertisement was satisfied. Further, the tender remained floated from 14.08.2024 to 04.09.2024 (for 1st call) and from 28.10.2024 to 18.11.2024 (for

2nd call) which was sufficient time prescribed for works of emergent nature thus satisfying the criteria-1.

Criteria-2: the qualification criteria were not unduly restrictive; and

(b) The qualification criteria had been adopted as per the standard RFP and the Operation & Maintenance work of other 06 Highway Nest Mini under PIU-Ramban has been successfully awarded on the same RFP. Thus, the qualification criteria is not restrictive at all which satisfies the criteria-2.

Criteria-3: prices are reasonable in comparison to market values”

(c) To compare the quoted price of the sole technically qualified bidder, the financial bid need to be opened. Further, the reasonability of rates will be compared w.r.t. other ongoing contracts for the Operation of Highway Mini Nest under PIU-Ramban.

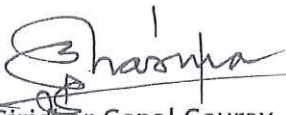

5. Based on above deliberations, Committee decided to open the financial bid of sole technically qualified bidder subject to approval of Competent Authority. The final result of technical evaluation is same as determined earlier by the committee with following details:

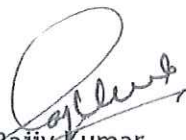

Sr. No.	Name of Bidder	Test of Responsiveness
(i)	M/s Muzafar Iqbal Sohil	Responsive
(ii)	M/s Kuldeep Singh	Non-Responsive
(iii)	M/s Bodh Raj	Non-Responsive

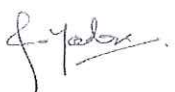

6. Committee decided that the Final result of technical evaluation may be uploaded on e-tender portal and the financial bid of sole technically qualified bidder may be opened on 13.12.2024 at 1430 Hrs with the approval of Competent Authority.

7. Meeting concluded with a vote of thanks to the all.
