12	Whether Bidder Is Technically Qualified	Technically Qualified
----	---	-----------------------

5. As per the NHAI policy no. 18.78/2022 dated 18.02.2022 which stated that "Ministry of Finance, Department of Expenditure vide circular No. F.1/1/2021-PPD dated 29.10.2021 (Copy enclosed) has pointed out that re-bidding has costs: firstly, the actual costs of re-tendering; secondly the delay in execution of the work with consequent delay in the attainment of the purpose for which the procurement is being done; and thirdly the possibility that the re-bid may result in a higher bid. Lack of competition shall not be determined solely on the basis of the number of Bidders. Even when only one Bid is submitted, the process should be considered valid provided following conditions are satisfied:

- The procurement was satisfactorily advertised and sufficient time was given for submission of Nds;
- The qualification criteria were not unduly restrictive; and
- Prices are reasonable in comparison to market values.

It has been decided that in case only a single bid is received by the due date of receipt then the same shall be accepted if the rates are reasonable & workable and the process is valid as per para 1 above with the compliance of validity of process recorded in writing".

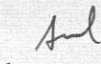

6. Based on the documents submitted by the bidder alongwith their technical bids, a technical evaluation prepared by committee, bidders were found substantially responsive as per the para (4) above. Apart from the above, it is to be mentioned that district road safety committee meeting dated 28.11.2024, wherein instruction regarding completion of road marking, sign board and potholes repairing etc. has been issued keeping in view of safety of road user to the all-road agency and work is targeted to be completed by 15.12.2024 under intimation of District road safety committee. Further, NHAI, HQ has issued the policy no. 12.35/2024 dated 27.11.2024 for enhancing the safety of road user in foggy weather wherein it is mentioned that all PDs are required to provide a Certificate within a period of one months from issuance of this circular of completing the above measure. The keeping in view of urgency of work, the committee is recommended to accept the single tender as per the NHAI policy no. 18.78/2022 dated 18.02.2022.

7. In view of above, the evaluation committee hereby proposed to upload technical bid evaluation result on CPP-Portal. The evaluation committee also recommends to open financial bids of technically responsive bidders on 12.12.2024 at 1200 hrs
