As recommended in prepage by SM(F&A), FEG after review, the proposal for Award of Contract on M/s Nuclear Fuel Complex(a DAE Unit), for Supply of Zirconium Alloy Components and Assemblies of Reactivity Devices for KAIGA-5&6, as per Tender Ref. No. CMM/FTP/09-31-01-1258, at a total financial implication of ₹ 850001986/- (i.e. Basic Price: ₹ 699359870/-, P&F @3% on Basic Price and GST@18% on Basic Price and P&F), plus Transportation/Freight Charges@1% on Basic Price (to be reimbursed at actuals) plus GST as applicable on Transportation charges, is recommended to ED(F) for according concurrence by exercising the powers of Dir(F) for the approval by CMD, NPCIL as per SI.No. A.3 (iii)(b),Part-1, Table A of HQI-2007(R-5).

User group may please take care of the FEG comments on Transportation, in consultation with CMM, to explore the feasibility to avoid any additional incidence of GST on NPCIL on account of Transportation, if any.

12/N. 03/10/2024

Proposal is to place a P.O. on NFC for Zircalloy components & assemblies of reactivity mechanism of Kaiga-5 & 6 at value of Rs. 85 Cr. (2.35% above estimated price) against a single tender.

There is no deviation to tender conditions as per Sr no.2.1 of the note. The bid is valid till 4th Oct. 2024.

As brought out at 8/N by F & A, NFC is single source of indigenous Zircalloy components and NPCIL has been mandated by the NPCIL board to send all tenders for Zircalloy components and assemblies to NFC.

As per HQI -2007, Part-1 Clause A3 iii) b) for award of work to a PSU/Govt organization, Director has powers upto Rs.24 Cr. and CMD of Rs.100 Cr. This P.O. is of Approx. 85.8 Cr.
