Ref. NPCIL/KGS/CTC/2025/CPPP/S/

Date: 07.05.2025

Subject: Repair of approach roads, storm water drains and miscellaneous works in converted type C quarter's area, Zone-1 of Phase-1 of Kaiga Township.

Ref: Tender No.: NPCIL/KGS/CTC/E&US-CIVIL-TS/CPPP/2024/020

A public tender was invited on e-tender portal CPPP site with last date of submission of bid as 05.02.2025. NIT value is ₹. 2, 40, 78,385/- . NIT was prepared on the basis of approved Technical sanction and evaluation of bids was carried out. Total 5 bidders were participated and CST was prepared and sent to F&A for checking.

It is noticed that out of total 26 items of BOQ, two items quantities are different from approved Technical sanction BOQ and the NIT value difference is ₹. 10,420/-.

Since there is difference in amount between BOQ total value and approved Technical Sanction value, it is proposed to cancel the tender and go for new tender by correcting the value of BOQ and inviting fresh tender.

Competent authority CE (E&US) is requested to kindly approve for the same.

Submitted for approval.

CE (E&US)

The proposal for cancellation of tender and go for new tender by correcting BOQ was reviewed.

Since out of 26 items there is difference in 2 items between BOQ and MTR in respect of quantities mentioned. All the five bidders quoted rates based on BOQ. But MTR value different.

Hence Competent authority CEC (E&US) may approve the cancellation of tender and go for new tender by correcting BOQ values.
