→ Shri Vivek Dixit,
SO/C, Civil, Kaiga-5&6.

The work in this tender include civil and water supply work and ~~it is under the scope of~~ electrical, lift, firefighting system is not included. To avoid multiple tenders, it is suggested to prepare BOB for electrical, lift & firefighting in-house. and invite single tender by including all the scope i.e. civil, electrical, PM, firefighting, lift. Hence, it is proposed to cancel this tender and inviting separate tender including all the scope of work as mentioned above.

3/8/24

→ ACF (Civil)

In view of lessons stated above, recommended for cancellation of tender no CPPP/2024/037 and inviting fresh tender as proposed above.
