

Discussed with ACE (E&US) regarding Similar nature of Jobs considered in the Tender.

Similar nature of work considered is "Having successes fully completed: "Civil maintenance of Building(s) or Civil Structure(s)".

As per List of suggested standardized generic similar nature of work definitions HQ circular No-NPCIL/EDCMM/Works/2023/M/129, dated 26/05/2023, SI No-36 is

Experience in any one or more of the following:

- (a) Civil Maintenance of Buildings or Civil structures.
- (b) Construction of Buildings or Civil Structures.

Note: (with or without supply of material for (a) to (b).

It is decided to follow the above mentioned HQ issued similar nature of work definitions..

Hence it is proposed to cancel the tender No-NPCIL/KGS/CTC/E&US-CIVIL-TS/CPPP/2024/046 and invite fresh tender with revised similar nature definition as per HQ circular.
