A Public tender for the above said work was invited on the CPPP portal vide above references. The definition of similar nature of work mentioned in the tender is "Experience includes only the successful completion of "Civil maintenance of Building(s) or Civil Structure(s)".

The said tender is opened and two bids were received. During the course of evaluation of bids it is observed that tender is invited with restriction in similar nature of work. But, as per sl - 36 of HQ circular No-NPCIL/EDCMM/Works/2023/M/129 similar nature of work for repair and maintenance nature of work shall be "experience in any one or more of the following.

Due to oversight / typographical (b) got deleted during preparation of tender. In order to compliance to HQ guidelines and also getting more competitive bids it is proposed to re-tender NPCIL/KGS/CTC/E&US-CIVIL-TS/CPPP/2024/047 by incorporating similar nature of work as defined in the HQ circular.
