No response received from supplier. To placed
alongside for review & further needful action

Negotiation was held with LI bidder M/s. ID Tech
Solutions Pvt Ltd. on 4/1/2025, ~~however~~ During negotiation
the party wanted to submit relevant supporting document
and price list of catalogue items. However in
response, the party has submitted a copy of PO which
does not correlate with indented item. In addition,
no rebate ~~was~~ has been offered by them and price
list of product catalogue is also not submitted.

As, the offered prices are (+) 61.55% higher than
that of estimated price (which were based on
considering 80% of average price of three budgetary
offers), the rate reasonability cannot be ensured.

Hence, in view of above, it is proposed to close
the case file and a fresh ~~bid~~ indent shall be
initiated by taking fresh budgetary offers from market.
CA. may please approve for closure of the case file.
