Recommendation(s):

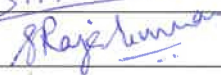

Adequacy of Specifications	
Functional/Mechanical/Electrical/Interfaces	Ok
Quality	Ok
Documentation Required	Ok

The procurement is for Spherical Bearings for usage in GSAT N3 Unfurlable Antenna Hinge Deployment Mechanisms through NSIL indent with number **NSIL/2024-25/MSS Terminals/FPGA/01**. Indenter presented the specifications to committee in detail.

Single quotation was received from **M/s. MAC TECHNOLOGIES** and the vendor has technically complied with all the specifications asked in the indent. After reviewing the specifications thoroughly, committee recommends this indent to go for price bid opening.
