

Recommendation(s):

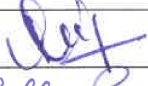

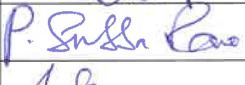

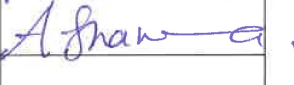

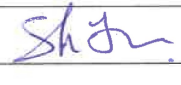

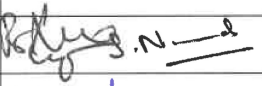

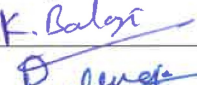

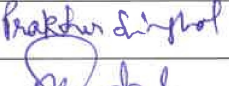

Adequacy of Specifications	
Functional/Mechanical/Electrical/Interfaces	Ok
Quality	Ok
Documentation Required	Ok

The committee reviewed Purchase Indent No: NSIL/24-25/cablenet_Mesh/01, titled Realization of cable-net and mesh assemblies on build to print basis for 6m UFA of GSAT-32. Two parties 1) M/s Avasarala Technologies Limited & 2) M/sAnanth Technologies Private Limited submitted their bids. Technical CST against indent specifications is discussed. Both the vendors have technically complied with all the specifications asked in the indent. After reviewing the specifications thoroughly, committee recommends this indent to go for price bid opening.
