Ref No: NSIL/Purchase/2025-26/14

29 April 2025

Sub: Approval for Re-Tendering - (Reg).

This is in reference to the indent regarding the Manufacture and Supply of AA2014 T651 652 rings at NSIL. A Tender (Ref No. NSIL/24-25/117/AA2014-T651/652 rings/01) was Published on 11-Nov-2024 06:00 PM as Limited Tender, via the CPP portal with the Due date of 27-Nov-2024 05:00 PM.

However, it may be noted that RFQ was floated to 09 Vendors, but only 02 Vendors M/s Deccan Smiths and M/s Manjira Machine Builders quoted for the same.

Whereas, M/s Deccan Smiths placed Commercial Bid along with the Technical Bid and the price quoted by M/s Deccan Smiths was lesser than the price quoted by M/s Manjira Machine Builders hence their Bid is not considered for further evaluation.

As per the opinion of the Auditor it should be retendered as the price justification is arbitrary in the case of single quote received.

In light of this, we propose to refloat the tender of this indent with the time frame of 10 days for bid submission.

Submitted for approval please.
