

NSIL/SSLV/Tenders/32/18-2

Minutes of Meeting of SSLV - "Contract Finalization Committee" (CFC) – Reg

1. Introduction:

NSIL has floated tenders to ISRO qualified supply chain vendors of SSLV and the vendors were asked to respond to these tenders in two parts viz., Technical and Financial bid. Responses are received for **Indent 18-2**.

CMD NSIL vide Ref No: NSIL/SSLV/CFC-S/2023 has constituted a SSLV "Contract Finalization Committee" to evaluate the responses received for the procurement of the items.

As part of this, **Annexure 1** lists the indent number and indent items for tender.

2. Evaluation Process:

In order to evaluate the bid responses, NSIL has consolidated & forwarded the technical bids to VSSC for review and assessment. After the detailed evaluation of technical proposals submitted by the vendors, VSSC has given recommendations/comments based on the information given by vendors.

The recommendations/comments by VSSC are attached as **Annexure 2**.

3. Summary of discussion:

Based on the documents/ certificates/ clarifications/ input provided by the vendors on their bid proposal, the SSLV "Contract Finalization Committee" carried out the bid evaluation.

Committee has noted the technical evaluation carried by SSLV Project of VSSC. Further to the technical evaluation, the committee evaluated the delivery schedule and other commercial terms and conditions.

Summary of the indent 18-2 for the Manufacture & Supply of AFNOR 8CD12 Filler Wire is as below:
