1.3	If there is any change in the rate of GST after the date of bid closing but prior to award of the contract due to which there is any change in the original ranking of bidders, then the originally evaluated L-1 bidder would be considered for award of contract but subject to matching his prices with the bidder who has emerged lowest as a result of modification in GST. In case originally evaluated L-1 bidder fails to match the price (of the bidder who emerges L-1 due to change in GST rate) then the award of contract will go to the bidder who subsequently emerges L-1 due to change in GST rate.	Bidder has chosen the option 'Conf' in the BEC Matrix.

B.3 From the above table, the bidder M/s. KBP Civil Engineering Services has emerged as L - I bidder against the tender.

B.4 Rate Reasonability:

In view of the provisions of MM Manual, Rate reasonability can be established in comparison to cost estimates.

The cost estimate for the work was prepared based on rate analysis of costs obtained through budgetary quotations. The L - 1 Bidder has quoted 22.95 % below the estimated cost. As the bidder has quoted 22.95 % below the estimated cost put to tender (based

on rate analysis of costs obtained through budgetary quotations), the rates may be considered reasonable. Based on the quoted percentage of the bidder, the award value of the work comes out to ₹ 6, 57, 344.37 /-.

3.3 Furthermore, PMC Circular 09/2015 dated 20.02.2015 on Workability of Rates is also noted and observed that provisions on establishing workability of rates need not be followed, till further orders.

3.4 In view of the above, it is proposed that the quoted price of the L - I bidder may be considered reasonable.

Recommendations: In view of above deliberations at Part A and Part B, the following is proposed:

- (i) To award the job to L - I bidder, M/s. KBP Civil Engineering Services at their quoted percentage of 22.95 % below the estimated cost put to tender. Based on the quoted percentage of the bidder, the award value of the work comes out to ₹ 6, 57, 344.37 /-.

Estimated Cost put to Tender: ₹ 8,53,140 /-

Award Value: ₹ 6, 57, 344.37 /-.
