B) Indenting section was asked to furnish comments on reasonability of rates w.r.t. L-1 bidder on 15.01.2025. Indenting section vide note dated 16.01.2025 replied as under:

Quote:

With respect to Tender No. W35DC24001 for "Supply, Installation, Testing & Commissioning (SITC) of CCTV System for GCS, Gomia of ONGC CBM Asset, Bokaro along with 5 Years Post Warranty comprehensive AMC(CAMC) on LSTK basis.": following are the rate reasonability recommendations.

Price bid of two qualified bidder as below opened on CPPP on 11.12.2024:

- 1 M/s. Transit Electronics Limited
2. M/s. P.K. Engineering and Construction

As per The Price bid/ BoQ of the bidders as attached in annexure no-37, 38 and the vetted Price comparative statement as attached in annexure no-39, there is no LPR available of this CCTV System on LSTK Basis. Moreover, the offered L1 bidder's quoted rate including GST as proposed by MM is Rs. 1,38,59,260.3, Which is 15.714% Lower than sanctioned/ PR value of Rs. 1,64,43,118.06. Therefore,

offered L1 bidder's quoted rate including GST as proposed by MM is in line with the currently prevailing market dynamics and therefore seems to be reasonable.

In view of the above, it is mentioned that the prices of M/s Transit Electronics Limited for the "Supply, Installation, Testing & Commissioning (SITC) of CCTV System for GCS, Gomia of ONGC CBM Asset, Bokaro along With 5 Years Post Warranty comprehensive AMC(CAMC)" on LSTK basis" as offered is reasonable.
