Note:-

1. The transportation charges will be paid on the basis of quantity acknowledged at unloading Point at M/C. CPCL-Manali Refinery. Payment shall be made as per actual quantity transported. The transportation charges shall be paid on the basis of quantity acknowledged at unloading/delivering point/installation/site.

2. Charges are payable for laden trip only i.e. one way only for transporting crude oil/Emulsion/Condensate from loading station to unloading station. No charges for empty/return trip/run shall be payable by ONGC. No detention charges will be payable.

3. To and Fro Toll charges shall be reimbursed by ONGC as per actuals upon submission of payment proof/ documentary evidence.

4. As per the data available at present, each tanker on an average is making about 0.5 trips per day. The tentative quantity to be lifted is given at Annexure-III.A. Accordingly, the bidder should quote the number of tankers considering 0.5 trips per day, the total quantity offered to be lifted and the capacity of the tanker offered. In case the total quantity offered to be lifted by the bidder is not in line with the number of tankers offered by the bidder in consideration of 0.5 trips per day, then the number of tankers offered by the bidder will be taken for consideration by ONGC to arrive at the total quantity to be awarded to the bidder. The decision of ONGC shall be final in this regard.

5. The bidder is required to quote as per above price format. In case the bidder does not quote as per the above price format, ONGC may reject the offer at its own discretion.

6. The volume of work indicated is only for the purpose of financial evaluation of bids. The bidders shall not have any claim for the assignment of work on this basis. ONGC shall not be bound in any way to assign the work as per the volumes indicated
