(4/4)	M/s Mira construction	Technically acceptable	Commercially acceptable

Following are the approved recommendations submitted and approved as per the approved note dated 20.01.2025.

1. To accept the techno-commercially acceptable bid of the bidder **M/s Mira construction** and approve to opening of their price bid.
2. To seek clarifications from the following bidders
 - (a) **M/s R K & Co.**
 - (i) To submit dully filled Appendix-1 "*BIDDING DOCUMENT ACKNOWLEDGEMENT PROFORMA*" of Annexure-1:- Instructions to Bidders of bid document.
 - (b) **M/s Mahesh Parsad Chourasia**
 - (i) The work experiences submitted by the bidder are construction/ up gradation of road, which does not comply the similar nature of work required as per BEC clause. However since the bidder confirmed the experience clause in the bid

matrix, they may be asked to submit relevant work experience documents which meets the eligibility work experience as per “similar completed work” as mentioned in the BEC clause B.1.2.1 (a).

(c) M/s Radhe Krishna Enterprise

(i) To submit dully filled Appendixes- 3, 5, 6,7,10,11,15,19 of Annexure-1:- Instructions to Bidders of bid document.

Accordingly, with the approval of CPA they were asked to submit the deficient documents in the portal by 29-Jan2025 03:00 PM.

In response to the above, following all three bidders have submitted their responses along with the deficient documents within the stipulated cut-off date and time in the GePNIC-CPPP e-portal. (<https://etenders.gov.in>). Deadline for submission of deficient document in GEPNIC portal is 1500 Hrs 29.01.2025 but the bidder M/s Mahesh Parsad Chourasia also submitted one of the deficient document through mail to the dealing officer on 30.01.2025.

B. Evaluation

Based on the deficient documents/clarification submitted by them and TER bidder wise deliberations are tabulated as under;

1. M/s Mahesh Parsad Chourasia

BEC Clause	Clarification/ Deficient documents sought	Clarification/Document s submitted	Deliberation
B.1.2.1(a)	The work experiences submitted by the bidder are construction / up gradation of road, which does not comply the similar nature of work required as per BEC clause. Note: The bidder has sent a signed work order of the above work through mail to the dealing officer on 30.01.2025, stating that unsigned work order copy has been uploaded by mistake.	order copy beyond the stipulated time limit. In this regard clause 13.4.8 of IMMM-15 is referred; <i>Clarifications / confirmations / deficient documents received after the stipulated cut-off date can be considered only in exceptional situations depending upon merit of the case, with the approval of CPA after recording detailed justification for considering such clarifications / confirmations / deficient documents. Concerned L-1 executive shall have full powers in this regard.</i> <i>The proposal for considering the clarifications / confirmations / deficient documents received after specified cut-off date against the first round or second round shall be put-up for approval before evaluation of such clarifications/ confirmations / deficient documents, along with detailed justification.</i> Hence, considering the high value work experiences of the bidder, nativity of the bidders firm, which belongs to the state in which the tendered work falls and to enhance the competition the documents received after the stipulated cut-off date can be considered. However, as the agency has submitted the unsigned work order in the GEPNIC portal and has attached a signed copy of the same through mail to the dealing officer after cut off time its genuineness needs to be verified before considered for evaluation.
--	---	---	--

		In this regard clause 36 of GCC and para 40 of ITB of bid document is referred; <i>“Bidders should note that ONGC may verify authenticity of all the documents/certificate/information submitted by the bidder(s) against the tender. In case at any stage of tendering process or Contract/PO execution etc., if it is established prima facie with reasonable grounds that bidder has submitted forged documents/certificates/information towards fulfillment of any of the tender/contract conditions, ONGC shall immediately reject the bid of such bidder(s) or cancel/terminate the contract and forfeit EMD/SD submitted by the bidder”.</i> In view of the above, in order to ascertain the genuineness of the work order submitted by the bidder, it may be verified from the issuing authority/ client within 15 days of issues of letter. In case, no response is received from the issuing authority within this 15 days period, the submitted signed document may be considered as genuine and considered for evaluation. However, if the issuing authority in response to the verification letter, deny the genuineness of the document, the bidder shall be straight away rejected and liable for actions as per tender conditions.
Conclusion: - The documents received for the Work experience after the stipulated cut-off date may be considered.		

Genuineness of the work order submitted by the bidder, may be verified from the issuing authority/client sending letter/mail to NKJ BIOFUEL PRIVATE LIMITED, 64-Old Nehru Nagar, Bhilai, Durg, Chhattisgarh, India -490020, CIN: U23200CT2020PTC010818, E-mail: rajesh@kediagroup.com giving 15 days of time from the date of issue of letter.

The submitted signed document of the work experience may be treated as genuine and considered for evaluation in case, no response is received from the issuing authority within this 15 days period.

If the issuing authority in response to the verification letter, deny the genuineness of the document, the bid of the bidder shall be straight away rejected and liable for actions as per tender conditions.
