विषय:- नॉन कोर ड्यूटी पोस्ट पर तैनाती हेतु डीजीआर प्रायोजित(Sponsored) गार्ड के tender के संबंध में।
(Tender id 2025_AAI_228945_1)

Please refer the tender process with tender id mention above regarding *Deployment of 10 Security Personnel through following DGR sponsored agency for non-core duties at Aurangabad Airport for a period of 2 years*

In the ongoing process Technical and Financial Bid is opened by the committee on 20.03.2025 and 03.04.2025 respectively. After that following observation have been made.

"There is some misinterpretation in BOQ of NIT document in the column number 2 & 3 as column 2 indicates Deployment of 10 security personal per days and column 3 indicates Deployment of 10 security personal per month that leads some confusion among agency that's why some agency has included reliever charges in their finance bid and same is not desired by the principle agency."

Due to this the committee RECOMMENDS that this tender process should be canceled and after rectification a fresh tender process shall be take place.

Thanking you,

With Regards,
